APRIL 2014

**Well the End of Season Ball was a blast**, and it was so good to see so many make such an effort to dress to impress. Over 130 members, family and guests crowded the deck, drinking lots of cocktails, eating Alfonso's fab food and rocking out to great music. Yuri gave us a sample of real Cuban culture and then later he and his wife Merrily gave a demonstration of Salsa Cuban style.

With a little encouragement we had lots of members up and dancing and if it hadn't been for our license restrictions I am sure the party would have gone on into the early hours.

**Next year** we are looking for a new theme, and **La Dolce Vita** has been suggested. If you have any ideas feel free to collar Dee or myself on the deck or drop us an email.

**My great thanks go to Jackie & Laura** for selling the tickets. I know some members of the board have sore arms from having them twisted. Thanks to Al for making sure we had enough to drink and to Peter for making sure we had the glasses to drink from. And thanks to Sorrell for arranging the fee hire of the furniture and cocktail glasses from Oliver Hire.

And finally, a BIG thank-you to **Alfonso and Marcella** for putting it all together. If you are looking to cater an event give Alfonso a call on **0401-737-880**.

**The weekend of the Ball** was a big one for the club, with the running of the Helly Hansen Women's Challenge (now over two days). With around 20 or so centreboards and Sailability boats on the Saturday (and some sore heads on the race committee) and about 40 yachts competing on the Sunday, this was a massive event.

**Congratulations Ivana and Maz** on organising a wonderful event, and thanks to the army of volunteers who made it all happen on the day(s). Next year will be the **20<sup>th</sup> year** of the Women's Challenge so expect a big one.

On the subject of anniversaries, next year will be the **50<sup>th</sup> anniversary of Manly Yacht Club**. Expect more news over the coming months on celebrations for that milestone event.

**We are coming to the end of our financial year and coming up on the Presentation night and the Annual General Meeting. Please put them in your diary.**

**PRESENTATION NIGHT**  
Saturday, 17<sup>TH</sup> MAY 2014

**AGM AND TRIVIA**  
Saturday, 21<sup>ST</sup> JUNE 2014

In particular for the AGM we need a minimum of 20 voting members (senior, syndicate, family and life members). We are planning a fun night with the absolute minimum of boring business, so this is a great opportunity to get a table together for some nice food and fun. We are hoping to prevail on quizmaster Ian to come back for a Trivia night. Fingers crossed on that one. *(President's Report continued on page 3...)*

Like us on Facebook, share experiences and help promote club events like Women's Challenge + Mini Regatta.

## PRESIDENT'S REPORT ... continued from page 1

Finally a note on what your board has been up to.

- ✓ Cary Budd's Membership subcommittee has made its first report and we will reveal more soon on their recommendations, to be implemented in membership year 2015-16.
- ✓ Bruce Davis' Junior Sailing Review committee will be winding up its report to the board by the end of June.
- ✓ A subcommittee has been formed to decide on the award of the Graham Cotton community service award ... if you have any nominations please send them to Cary Budd or to me (president@myc.org.au).
- ✓ Peter Robinson is working hard on everything (OR SO IT SEEMS). In particular he is working on a long term solution to our garbage management problems.
- ✓ Our club captain Colin Cameron has been putting in an extraordinary amount of work managing the mountain of garbage that accumulates after most weekends. Our thanks go out to Colin, and a request for all members to help by ensuring all garbage goes in the correct bins and the area is kept tidy and free of overflow.
- ✓ Finally Steve Garmston and I have had two productive meetings with Manly council, leading to the council contributing \$15,000 to the cost of our new roof. In addition we have a commitment from council to pay for all future major repairs (such as roof repairs) and we have been promised a letter of intent that will state the council's intention to renew the club lease when it expires in 2020.

With all this going on is it any wonder our board meetings go late into the night!

So with just a few races left to the end of the season, enjoy the last of the summer weather.

David Lewis  
President

**If you were wondering where the MYC Burgee was on the 29<sup>th</sup> March 2014...** it was borrowed for the day for Dick Holland's boat in Pittwater to fly the flag to cheer on the MYC competitors in the second round of the NSW State PJ Regatta... Ed.

*"...As for a regatta report for the newsletter, I was merely providing a taxi service. I've copied Hamish who as PJ Fleet Captain was the brains and brawn behind the event.*

*For the record I thought it was brilliant event and a great credit to MYC. My father who is a dinghy veteran from the 70's - from BYRA no less - was blown away by the standard of sailing and professional organization. And Pittwater turned on perfect conditions for a thoroughly enjoyable day. We even had 5 sailors from MYC's Optimist fleet cheering on their favourite PJ skippers..."*

## MYC Prize Presentation Night Saturday, 17<sup>th</sup> May 2014

How quickly 12 months passes... but it's that time of year again!

After another action packed season across all divisions from junior to offshore, its time to celebrate at the **annual presentation evening**.

All members are invited to Sydney's most *inclusive* club on ...

**When:** Saturday 17th May 2014

**What time:** 6.30pm for 7.00pm start

**What's included:** Light supper and one free drink from the bar

**The cost:** Adults - \$12, Juniors (under 16) – Free

**RSVP :** [tickets@myc.org.au](mailto:tickets@myc.org.au) - before **14<sup>th</sup> May 2014** - so we know how many to expect.

**Guest Speakers:** Vanessa Dudley and Diane Sissingh. You might remember them from the laser start line in the recent Helly Hansen Women's Challenge. Vanessa started sailing at MYC when she was 9 years old and is current Laser Master's Worlds Champion. Diane brings a different perspective as she started sailing as an adult and sails lasers as well as keelboats.

### A WORD FROM THE CLUB CAPTAIN ...

There are proposed changes to Club racking and storage, which will require the full co-operation of the membership.

**We had cracking weather** for both rounds of the second annual PJ Regatta held in December at MYC and at BYRA in March. 19 PJ's competed over a series of 6 races where we saw some excellent sailing and some big improvements in tactics and technique.

**Hugo Taranto** lifted the State PJ trophy, bring it to MYC for the first time. He sailed some flawless races in both rounds and saw off some impressive challengers.

**Only half a point behind** in second place was **Jack Reid**, a regular PJ sailor with our junior program, Jack has already booked his spot as MYC PJ Club Champion 2014.

Our other sailors performed very well, dominating the top half of the table and showing us just how much they had improved over the season from round one.

**Noa Grasse**, racing the PJ for the first time and a little on the light side, showed us some steely determination rarely seen in kids (these days). **Holly Davidson's** impressive improvement over the season saw her leading the fleet in race 6 and eventually taking 3<sup>rd</sup> in that race.

A big thank you to all involved, we look forward to doing it all again next summer.

## COMMODORE'S REPORT

The summer season is over and I'd just like to extend on behalf of the club a huge thank you to all who have made it possible.

- Thanks to the board and management who've given us a secure and maintained home to run the club from.
- Thanks to the sailing committee who've designed and implemented a fun and competitive campaign of sailing.
- Thanks to the race committees, parents and on water volunteers, both regular and casual, who've given their time so that others may sail.
- Thanks to the RSAs and other event co-ordinators who have sustained us with food and drink after the racing.
- Thanks to the boat owners for bringing their toys to the party.
- Thanks to the crew for turning up rain or shine to keep the competition going.

It is amazing just how many people are required to put on a sail race. It's more amazing that we manage to do it week in and week out for over 100 sailing days per year!

**So let's all pat our selves on the back for a task well done.**

But I truly believe that being part of the organization of racing is a big part of the enjoyment of sailing and I believe that all those who have contributed have enjoyed either their time helping out or at least in seeing the great outcomes of their efforts.

If you want to be part of that fun, there are openings on the sailing committee, so please put yourself forward.

As always, I stand ready to receive any and all feedback on how we might make next season even better.

Let the winter season begin!

## CONGRATULATIONS!

MYC team competed at South Australian J24 Championships 29/30 March. Team consisted of Laura Thomas, Kate Holmes, Lee Ebeling, Matt Miles, Robert Richardson (SYC) and Janette Syme.

Borrowed a local boat, only a small fleet of 7 and after 5 races we were placed 2nd scratch and 2nd Hcp, 1st in Southern Cross Regatta. Very light conditions, very tricky local knowledge and big tidal influence. The team were enthusiastic and did a fabulous job - a credit to our club. Good time had by all!

## WANNABE an Auditor?

Manly Yacht Club is looking for a few people to volunteer to join the incumbent auditors and help with the audits for boats belonging to members of MYC.

Boats need to have an annual audit and this is a necessary part for sailing competitively in Club races.

The job of an Auditor is to help boat owners prepare their boat for the season by advising and checking that the boat's equipment complies with the regulations, is in date and in good working condition.

The auditors are called upon usually, only once a year, on a late August or early September Saturday morning, just before the sailing season commences. Sometimes through the season if a new boat wishes to join the fleet then it may need to be audited.

This is not a difficult job and is one in which you can enjoy and learn plus do your little bit to help the Club without consuming lots of your time and at the same time you will be helping and meeting other members. Your first few audits usually are Category 7 and you can be accompanied by another Auditor, so is very relaxed.

There is a course for potential Auditors being run next month so you will need to register for it now that you have decided to become an Auditor and do your bit for the Club. The course is free, takes approx. 3 hours and morning refreshments will be served!

Enjoy the course and many thanks for your help.

## SEEKING OUT PHILANTHOPISTS...

Our growing fleet of juniors is helping MYC grow into the future BUT we need help... additional support boat is needed. Can you help the club reach its goal before the start of the new sailing season? We are half way there.

Any donations (no matter how small) to MYC, PO Box 22 Manly 1655, marked "support boat", gratefully accepted.

Or contact one of your Board members for further information regarding acknowledgement and branding of the new rib.

**THANK YOU TO ALL OF YOU WHO HAVE CONTRIBUTED THROUGH RAFFLE TICKET PURCHASES IN THE PAST.**

## MARATHON REPORT FROM ESPRIT ... A DAY OF DRAMAS! (sorry, no pics! ... Ed)

The southerly was blowing in at 20kn when I let Esprit's bow off the mooring. Just then a gust caught the bow, pushed her sideways and my kayak did its best Titanic impersonation as it went under the boat. Oh it's going to be one of those days I thought. I'd better go get some crew before I rescue the kayak, we've still got 45 minutes until the start.

The attempt to right the kayak didn't go much better, even with full crew on board. First, Nell slipped through the lifelines and was lying on top of the kayak with just a hand and foot still on board! That didn't work! Then another gust pushed us sideways and the rudder hooked the mooring line as the kayak did a sequel to the Titanic movie, and soon Esprit was hanging off her rudder stern too the southerly seas! 20 minutes to the start and the crew is now holding me by the ankles as I go in upside down over the stern to untangle the various lines from the rudder and propeller! So much for my previous dismissal of Jan's suggestion with "I don't need a dry change of clothes, I'm taking my full wet weather gear!". But soon enough we have the kayak right way up, all the crew back on board and have retrieved all the paddles/life jackets that floated off.

10 minutes to start and with our dramas sorted we look for the start boat which is not yet on station! Carlyle turns ups and flies the AP! Whew... time to get ourselves sorted out.

Only a small fleet has turned up, as the rain is coming like a fire hose and the Sound is full of white caps. So it looks like it is a day for taking it conservatively and we call for the reefed main and small jib. The conservative approach lasts only a few minutes after the start, as even though there is only 1 other boat in the Div 1 fleet, Esprit is losing ground to the Magic flying full main. So we ring the changes, firstly shaking the reef out and then as the sting goes out of the breeze we change up to the genoa. We are now drifting in nothing, but with the fire hose rain still falling and we've done 2 sail changes and we are still not at the first mark! We could have pulled out at that point, knowing that a DNF would be enough to win us the series against all those DNCs. But we were having fun now and thought all our dramas were behind us. Ha!

The wind comes back to a gentle 5kn and we get the masthead kite up between Shark & Clark Islands and are well on our way to the Bridge. But it goes on the nose and we have to drop it just as we enter the amphitheatre like area between Bennelong Point and Kirribilli. Will comments from the fore deck that the drop is going to be so easy in the light breeze, thus Jan in the pit lets everything go and the kite goes straight into the drink, taking halyard and sheets with it. Luckily tack line stays aboard and after an accidental gybe and hove too, we manage to haul in our trawl net in one piece. I think the watching tourists thought we were mad sailing in the rain before the drop, and now I'm sure they think we are certifiable.

The black kite is way too close now and even though the wind is back behind us we can't put a kite up. We are thinking our day is pretty much over. We creep slowly around the back of Goat Island, sailing on nothing more than the despondent glares of the skipper. We round the Island just as the Magic goes behind it, but amazingly we are at most of the way to Bradley and the Magic is still behind the island!

We re-rig for the fractional reaching kite and get that up as we round the corner and head back home. The fire hose has been turned down a bit by now, but we can see more coming, so we have extra incentive to keep racing hard, as the wind continues to shift from almost too shy for the reacher, to way to deep and then back.

As we approach the finish, we are a bit hot under the kite and I caution the crew "Let's not drape the kite over the committee boat" and then issue what I thought was a well timed instruction of "blow the tack in 3 2 1 now". But the attentive crew react on the 3rd word of that, so the kite is released as we are still hot above the committee boat, so we narrowly miss a big red Christo-esque wrapping of the committee boat! At least that might have given them a bit more protection from the weather, as the fire hose conditions return for one final rinse cycle!

It was still a wonderful long day on the harbour and the crew were laughing about it long after the finish.

## AUSTRALIAN CHAMPIONS

**Question:** What do the years 1966, 1969 and 2014 have in common?

**Answer:** Those are the years PAM KA16 has won the 5.5 Metre Class National Championship.

This year Vaucluse Yacht Club hosted the National Championships, on the 27 and 28 March 2014.

Although there are literally hundreds of 5.5's in Europe, some in the Bahamas and a few in North America, there are only approximately 15 left in Australia.

Trying to get them all together once a year is not an easy task, as they are moored far and wide. When they do come together however, it's truly a glorious sight especially during the starts.

There were 5 races in total with one drop. Both days saw light 6 – 8 knot variable winds which led to very long breaks between races. These wind conditions favour the lighter boats, but PAM (the heaviest of the fleet) showed great boat speed and tactical expertise to secure 3 wins.

Congratulations to Peter, Al and Matt who have crewed PAM since she was pulled from the bottom of Sydney Harbour 20 years ago.

PAM's win entitles her to represent Australia in the 5.5 Metre Worlds in Santo Stefano Italy in September 2014. Anyone want to chip in for the airfare?

*(report by Tannis Macdonald – as 2 of the 3 Australian Champions are on board Copernicus for the Lord Howe Island Race and return trip. Thank you Ken Terrens for file footage of the 4<sup>th</sup> Australian Champion – PAM ...Ed)*

## PJ States – 29-Mar 2014

29-March saw the second round of the PJ States sailed at BYRA. MYC sent 8 boats up to BYRA hungry to take the title off them this season. That is a great effort from kids and parents to haul all those boats up there for the day. Efforts like these keep the PJ class relevant for those choosing to sail it.

What a great day too. Almost perfect conditions (SE at 8-12 knots) on a sunny autumn afternoon saw a fleet of 13 PJs sail their 3 races very competitively. Joining fleets of Optis, Lasers and Tasers from the 3 Pittwater clubs with an RPA committee boat was also an eye-opener for both kids and parents alike. Clubs can work well together!!

**Anyway – results.** MYC certainly dominated taking the top 8 places (apart from 3<sup>rd</sup>). The conditions certainly favoured the light-weights with some very proficient, experienced sailors just too heavy to overcome the little guys but coming very close in a number of races. The top 2 placings were a very exciting battle and it came down to the last race - with Jack Reid and Hugo Taranto equal on points (after the drop) going into that race. Hugo had to get a 1<sup>st</sup> or 2<sup>nd</sup> AND beat Jack to take the title. So the boys match-raced most of the way round the course with Hugo just staying in front and covering Jack - exciting sailing. This allowed other boats to get amongst them and get the experience of leading a race – namely Holly Davidson. Anyway, somehow Hugo got into 2<sup>nd</sup> and Jack was behind him. So Hugo snuck in front by half a point. These are 2 great, 11 year old sailors with a big future in front of them.

Meanwhile ... normal Saturday training at MYC

**MYC Juniors** provides coaching and racing experience and develops kids from beginners to racing ability. It runs on Saturday afternoons of school Terms 4 and 1. It is run by sailing instructors and parent volunteers.

All kids from 8 to 15 years are welcome. More information:

For further information and to register interest for your child/children please **email** [juniors@myc.org.au](mailto:juniors@myc.org.au) or call **0412 426 584** and talk to Greg Taranto

## Club Sailing

Club Champs and Autumn Pointscore were completed this month with some more great racing. We had our mini-regatta last weekend in 15-20 knots – a great time had by all.

Congratulations to all Club Champ and Pointscore winners. There are many of you. Recognition for your great skills and commitment will be flowing over for you at the club presentation night.

*(Full results for the Season ... pages 12, 15, 17, 18)*

## Close of Season

Well another season over (just the Commodore's Picnic to go). Again, the kids have improved their confidence and competency – there is some very high-class racing on Manly Cove on a Saturday afternoons, and it looks like the MYC Juniors are here to stay. We have a group of 8 very competent little Opti sailors in the Novice fleet (mostly 8 years old), ready for the next big thing.

Thanks to Nicola Forbes-Smith for her coaching all season. Nicola has been an extremely reliable coach and mentor to the Novices and has helped us set up a big future for our Junior fleet. Well done Nicola – hope to see you again some time next season.

We were visited by several senior coaches throughout the season – mostly Kingsley Forbes-Smith who did a great job in training the parents as well as coaching our more experienced sailors.

The parent group are improving their experience and competency and we are self-sufficient in terms of the racing and club boat management – a lot of hard work put in that is starting to really pay off.

See you all next season for more fun on the water and smiling kids faces.

Thanks  
Greg Taranto

# CENTREBOARD RESULTS

Centre-boarders welcome new member Garth Riley to the fold who has shown real determination on the water and ensuring he meets his after-race beverage commitments.

As predicted, the later part of the season for the lasers is proving to be a real block buster with battles continuing in the Club Championship for 4th-5th (Sean and Cameron), 3rd-4th (Ian and Geoff) and 1st-2nd (Iain and Philip).

The Autumn point score is also going down to the wire with Sean, Cameron, Geoff, Ian and Philip all mathematically able to clinch victory.

While newcomers Ed and Garth are out of the reckoning because of their late starts to the season, their strong performances are really mixing things up for the others.

With one Club Championship race left which doubles as the last heat of the Autumn point score, you will need to wait for Prize giving night to find out what happened!!

The short course series was dominated by Iain who only dropped two races in 8 (both 2nds) in a devastating performance of close call sailing. Ian finished a credible 2nd, with surprise package Cameron grabbing 3rd. The series always raises the emotions of sailors given the intensity and closeness of the sailing, only to be soothingly washed away by a little liquid amber after racing.

# THE ADVENTURES OF PENSIVE CONTINUES...

Pensive was full of food and water and we pushed off from the Royal Tasmanian Yacht Club in Hobart and headed south to the D'Entrecasteaux Channel in a strong and gusty head wind. While we were double reefing the main for the trip, the Far 40's treated us to great display of sailing and boat handling. They had started their first race of the Nationals in 30 knots plus SSW winds and set their masthead kites at the top mark right outside the clubhouse. The boats were flying and within minutes they were jibbing for the bottom mark. Some crews were faultless while the last two or three boats were struggling. Pensive's crew were also struggling with the easier task of putting two reefs in the main but soon all was ready and although we would have liked to watch more racing we set sail for Randalls Bay where we secured Bob Buchanan's spare mooring. Bob has been a member of Manly Yacht Club and a client of Davis Marina for many years but now has moved house and boat to Tasmania.

At dawn next morning we motored in sloppy water out to Southeast Cape and when clear pulled up the sails and took off close hauled along the south coast of Tassie. This is a wild rugged coast of towering cliffs and windswept beaches with a mountainous backdrop. The big swells, on a normal day are 5 metres or more and have been sent north from the roaring forties. They smash the coastline and only solid rock, giant boulders and the occasional sheltered beach survives.

Halfway along a 1000 metre high mountain range called the Ironbunds abuts the sea as an almost sheer cliff. Lying off shore the islands of De Witt and Maatsuyker add to the dramatic land and sea scape. It is apparently possible to land on Maatsuyker and walk up to the lighthouse which surely has to be the most southern in Australia.

Bob and partner Joelle entertained us on Saturday and Sunday morning starting with a visit to their house and then newly built motor launch Dianne Johnson. She is 33 feet overall length and beautifully built by Dean Marks at Port Huon from Huon Pine. We were aboard when Bob took her for spin on the Huon River to try and configure the compass. It was terrific scenery, flat water and she purred along nicely but the compass was defiant, and Bob concluded he needed an expert.

After sailing for only two hours the southerly died out and Pensive motored for 10 hours, using precious fuel. At Southwest Cape, a jagged tangle of rock jutting out from Tasmania, we passed three other yachts that were taking advantage of calm weather and returning to the east coast. A cray boat darted in and out around the rocks setting pots.

Their house, in a very bushy setting, is perched on a cliff top above a sandy beach. Only 10 minutes walking away Pensive swung on Bob's holiday mooring while Dianne Johnson and Slipstream are berthed on the marina at Port Huon.

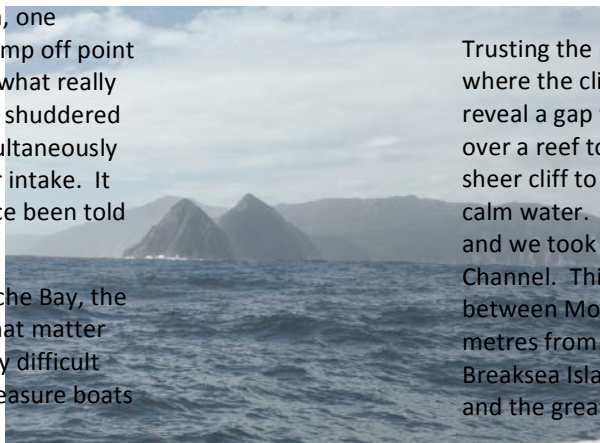

All that we would see that day and for the next week would be world heritage wilderness. Except for the tiny settlement of Melaleuca, a couple of historic huts and walking tracks there are no permanent residences, no roads or building, no busy intersections, it's a world that few have experienced.

Early Sunday afternoon we were sitting on the sunny, warm and windless back veranda, enjoying life and overlooking the D'Entrecasteaux Channel when the time came for Bob to fly back to work on the main land and for the crew of Pensive to head south, drawn by a good weather for a trip to Port Davey.

Once having rounded Southwest Cape the cliffs, islands, reefs and mountains continued to dance along to the east and finally the chart plotter told us the open roadstead of Port Davey was nearly abeam, but still the entrance to Bathurst Channel, our destination, was not obvious. From the sea Breaksea Island guards the entrance and looks just like the rest of the jagged cliffy coastline.

A fickle breeze pushed Pensive south that afternoon, one minute we would easily make Recherche Bay, the jump off point for Port Davey, then we were almost becalmed but what really stopped us dead was a big piece of kelp. The motor shuddered and the exhaust sounded hollow. The kelp had simultaneously tangled the rudder, propeller and blocked the water intake. It was growing in 15 metres of water and we have since been told it can grow in water up to 25 metres deep.

With this little problem solved we arrived in Recherche Bay, the most southern anchorage on the east coast or for that matter all of Tasmania. The setting sun made our entry very difficult and when inside we found a bunch of fishing and pleasure boats already there.

Trusting the plotter we motored to a place where the cliffs suddenly opened up to reveal a gap with broken water surging over a reef to starboard and a low but sheer cliff to port, beyond was relatively calm water. By now the sun was setting and we took the first anchorage inside the Channel. This little bay was crowded between Mount Berry which rises 651 metres from the beach directly astern and Breaksea Island which stood between us and the great Southern Ocean.

Phone: 0402 615 162  
Experience: I have done amateur sailing as a boy and have  
completed a few lessons with Chris at Manly Sailing Club.  
I've genuinely enjoyed the course and am considering  
taking sailing as a regular weekend activity! Would love  
for an opportunity to crew with Manly Yacht Club.
