## PRESIDENT'S REPORT

Hello all,

Over the last couple of months the Board meetings have been addressing two particular areas of the club.

The first area is corporate governance. Two key considerations have been discussed and actions around incident reporting and sponsorship.

Experience has found that there is a miss match between some of the incident reporting procedures and the communication of the protocols to all actively involved in racing and race management. Actions are being taken to clarify for all those particularly in race management regarding incident reporting.

It was previously brought to the Boards attention that we do not have the sponsorship policy. Given this lack of guidance, there have been inconsistencies by club members and officials. There are two sides to sponsorship; those directly with the club (thank you to all of our current and past sponsors), and like all clubs, the impact of sponsored individual boats. The latter is of less concern to the club unless it impacts on a club's policy. As we don't have a policy, you can see the Catch 22.

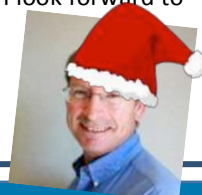

A Sponsorship Sub-committee has been formed and they are investigating best practice regarding sponsorship and sailing clubs and I will update you as things progress.

An interim decision had been made by the Board; and that is to look at the standardisation of boat names to those registered with RMS. This has been delegated to the Sailing Committee to implement. I appreciate that it is mid season and this may not be efficiently actioned until next season (and the new handbook / NORs).

The second area of our energies is the preparation for our lease renewal. Part of this entails our funding strategy and application for local state and federal funds. I reach out to any members with project management experience and tender writing skills who may assist us in these endeavours. Also, the club is intending greater ties with our local community and a program of events will be shared in the New Year.

After this weekend's Christmas Race and Commodores Picnic, I hope you all have a great summer break and I look forward to seeing you on the water and back at the club in the New Year.

Regards,  
Cary Budd - MYC President

On behalf of the  
Manly Yacht Club  
Board and Sailing Committee,  
May I wish you all the best for the Christmas  
season and the coming year.

## VALE

### HELEN EBELING

1930-2018

It is this editor's sad duty to advise you that long time member and friend of Manly Yacht Club,

### HELEN EBELING

passed away peacefully on Monday morning, 19<sup>th</sup> November 2018 after a long illness.

Helen's association with the club can be found in the [October 2018 Newsletter](#).

*I received many replies, commenting on what a lovely lady she was, including one from Past President, Keith Woodward commenting on what wonderful people the Ebelings were ... Ed*

## REMEMBERING HELEN

*Dear Helen was one of the first people I met at Manly Yacht Club. She and Doug were active members of the Yacht division and I was still a mum with my boys learning to sail.*

*She was a true inspiration as I realised women could sail and women could own boats. I never forgot when I was welcomed on board "Lautrec," a recently purchased yacht, and Doug let me know " This is Helen's boat".*

*Helen and Doug also nurtured three brilliant sailors their kids Susie, Lee and Greg.*

*Little did I realise or imagine that some years later I would race with Greg on my own boat and later with Lee on the Ynglings. The knowledge and seamanship and love of the sea they learnt from Helen and Doug.*

*Helen was the longest active participator in the Women's Challenge then happily passed on "Lautrec" to continue the tradition.*

*Helen will be sadly missed by all who knew her.*

Ivana Gattego, Tilba NSW

*I am so sorry to hear of Helen's passing and want to pass on my condolences to family and club members.*

*I feel that Helen was a long time club friend, dating back to the time before we had the pontoon, and the Ebeling family was so supportive of Sailability in doing the hard yards to make an accessible spot for us to launch our boats from.*

*I used to meet Helen in the street on the way down to the shops and have a good chin-wag as we walked down to the shops. Later on, we would meet on the Hop Skip Jump bus as we both got older and tired.*

Eli Demeny

*Thank you for letting us know about Helen's passing. She was a beautiful lady.*

*When I told Sara the sad news, she immediately recalled Doug's funeral and how composed and eloquent she was in paying tribute to him.*

*I'm sure she'll receive a similar acknowledgement.*

*There is a lovely photo of Helen, on Facebook, taken while sailing on the Harbour.*

# COMMODORE'S REPORT

Hello you excellent people!

Well, Christmas is almost here, and so is the Christmas Race and Commodore's Picnic **on Sunday 16 December**.

The Christmas Race starts at 11am and will be run in the traditional fun fashion, with the crew fancy dress and boat decorations far more likely to be decisive in the final results than the mere position on the water.

The after race festivities will be on the Club deck. The picnic will commence straight after the race (estimated to be about 2pm) and all are welcome, whether they have raced or not.

The Commodore will provide some meat and sausages, etc. but BYO snacks and salads. Also bring your swimmers, so that we can (weather dependent) mess about on the club BICs and see if you have what it takes to beat the Commodore.

However, on a serious note, please remember to maintain a proper lookout while you're sailing.

We recently had an incident in which one of our yachts, competing in the Mini Regatta, collide with a racing dinghy from the Manly 16' Skiff Club. Thankfully, no one was hurt, but it is always a very worrying moment when kids end up in the water. So please, please, please take care when in the vicinity of other watercraft, particularly when children are involved.

I look forward to seeing you at the Picnic.

Fair wind and following seas,

Muir Watson - Commodore

# Kaotic Crew Wins J24 NSW State Championship

(Apologies... this missed the November edition deadline...Ed)

Over the weekend of 3 and 4 November the *Kaotic* crew retained the NSW State Title in a series conducted over six races. This was *Kaotic's* third championship win in the last four years (with a second place in 2016).

The series didn't start well when a crewmember sent a text at 8.30pm on Friday night advising she was sick and would not be available. Time was spent on the phone till just before heading to the start chasing a replacement but we went out short-handed.

**Race 1** started with a light easterly with the local boat *Tinto* leading the fleet to the first and second marks by a good margin followed by a bunched group heading to the left hand bottom gate mark. We elected to avoid the chaos and take the right mark looking for a nor'easter breeze. Unfortunately it did not eventuate and we sat becalmed and watched the leading boats sail into the distance. When the breeze finally arrived we finished the race in 10th spot (hoping this was our drop for the series).

**Race 2** and we returned to form and came in first followed by *Tinto* and another local legend Dave McKay (a former Moth World Champion from the deep past) in *Stamped Urgent*.

The race committee began a search for the elusive wind but the racing was abandoned for the day and we headed for the clubhouse for a BBQ provided by Cronulla Sailing Club and \$500 bar tab provided by the J24 Harbour Fleet.

**Day 2** and we had a replacement crewmember for the day. With an increasing North Easterly breeze, Brendan Lee from Sandringham Yacht Club took out **Race 3** narrowly beating *Kaotic* with Dave West in *Ace* third.

**Race 4** and we had another shocker finishing 5th behind the winner Brendan Lee.

After a rev up by the skipper Sean Kirkjean, we came out to **Race 5** and *Kaotic* had an emphatic win, with a good margin to *Ace* in second and Brendan Lee in *Waterborne Again* third.

After we finished the race it was noticed that the tiller was loose, as a lock nut had come off the bolt. A quick search of the spares but no nut to fit the tiller bolt and the only bolt and nut was too short. It was then decided to take a longer bolt out of the mast plate for the tiller and replace it with the shorter bolt from the spares.

All this happened while the race committee was resetting the course in the estuary due to the increasing wind.

The last race and we were 1 point behind *Waterborne Again* and needed a win to seal the series.

File footage Kaotic 2017

*Waterborne Again* led to the top mark and we were just behind. At the gate marks we elected to go to the left hand mark while *Waterborne Again* took the right mark. After a good spinnaker drop and mark rounding we emerged ahead of *Waterborne Again* and continued to hold our lead to the finish. *Tinto* finished third with the placing for that race reflecting the final results for the series.

The final point for the series were *Kaotic* and *Waterborne Again* equal on 10 points (with *Kaotic* winning on a count back with 3 wins against *Waterborne Again* 2 wins), Steve Wright in *Tinto* third on 16.5 points and *Ace* (sailed by Dave West who occasionally sails at MYC) fourth on 22 points.

Members and their friends are invited to watch the New Year's Eve 9.00 p.m. Manly Fireworks together on Monday night, 31st December, 2018 at Manly Yacht Club, downstairs on the deck.

Tables will be set up from about 7.30 p.m., so if you want to come and have a picnic dinner, that is fine. Otherwise be there at around 8.00 p.m. to mind a spot. Bring some nibbles to share.

## MANLY SWIMMING BATHS

This photo from our collection shows the opening day of Manly Swimming Baths, on 30<sup>th</sup> October 1926. An alarmingly large crowd, estimated at more than 4,000, is testing the load-bearing strength of the structure to its limits.

The new baths stood on the site of the former Gentlemen's Baths, once renowned as 'the largest and most efficiently equipped gentlemen's swimming baths in the state' but of late somewhat rundown. Tenders were invited in October 1924 for construction of a grandstand, a new main building on land, and a new swimming bath enclosure. Alderman Ernest Lindsay-Thompson, the prominent architect at 52 Sydney Arcade, Sydney, designed the new baths.

On 30 October 1926 the new Olympic-length the Mayor of Manly, Arthur Keirle, opened pool, with a grandstand to seat 1400 people. The Mayoral Report for 1926 recorded that the Manly Swimming Baths cost £13,528 to construct. Many renowned Australian swimmers were present, and gave exhibitions of swimming, including Andrew 'Boy' Charlton, Manly's 1924 Olympic swimming champion; Fred Lane, Harold Hardwick, Albert Barry and Moss Christie. Frank Doyle, the Australian sprint champion, swam 50 metres in 26.8 seconds. This occasion was also the subject of the first outside broadcast on 2BL radio.

The Baths Manager was Dick Eve, the Olympic champion diver, whose father had been a manager of the earlier Baths. Eve's decision to take up the position meant he forfeited his amateur status.

Manly Baths saw many fine swims, and several notable records were set there. On 15 January 1927, Japanese swimmer Katsuo Takaishi set an Australian all-comers record for the 200 yards in defeating Boy Charlton, in a time of 2 minutes 17 seconds.

On 21 January 1929, Sweden's Arne Borg set a world record for the one mile, with 21 minutes 6.8 seconds, breaking his own world record by more than 34 seconds. He was 'cheered to the echo'.

In February 1937 American Olympic gold medallist Jack Medica set an Australian all-comers' record in the 220 yards of 2 min 15.1 sec.

On 11 February 1948, Frank O'Neill, whose father Tom O'Neill had become Baths Manager, set a time of 59.8 seconds for the 110 yards at Manly Baths. He was the first Australian to go under 1 minute for the distance.

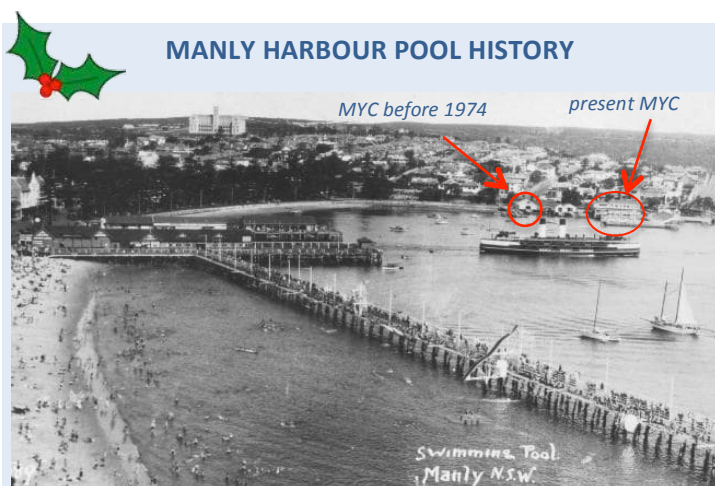

The Baths were demolished and reconstructed in 1949-50 at a cost of £10,099. Work was completed by 31 March 1950. However they suffered severe storm damage in May 1974 and were finally closed in April 1976. At the last race a wreath was floated in the pool. It was said that since the first race had been held in 1890 the pool had seen 'more Olympic champions in action than any other swimming centre in this country.'

The remaining structure was converted for use by Manly Yacht Club in 1977.

### CLUB CHAMPIONSHIP 5 & 6 (SPS 11 & 12)

While we had a good 10 to 15 knots, this was probably the first race of the season where it wasn't blowing hammer and tong. The results up front didn't change much though, except for the newly-minted Radial sailor Phil pilfering the first race from Ian, Iain and Evie.

In the second race there was a slight reshuffle with Ian taking the honours, from Iain, Evie and Phil. Marcus in his first CC appearance snagged two fine 5ths and Garth sailed solidly for two 6ths. The lighter breeze played havoc with the rest of us, not mentioning names (Ben and myself) who helped bring up the rear.

At time of writing the series is still super tight – Ian, Evie and Iain at the top on 9, 10 and 11 points respectively.

On handicap it was Veronique's day, who went home with a 1<sup>st</sup> and 2<sup>nd</sup>. Tim Docker turned up too with a 2<sup>nd</sup> and a 3<sup>rd</sup>. Not quite as consistently, Richard started the day with a 10<sup>th</sup> and then won the next one. He wore that cap well.

Congratulations all three.

Thanks to Gregor for looking after us, and the results.

### LASER MICRO REGATTA 3

The good thing about the micro-regatta races is that if you make a mistake, they'll be another race in the next 20 minutes. The bad thing is, you make a mistake you can kiss that race goodbye.

The format isn't a mistake though and delivers fun, fast and furious racing. Overall, Iain won the day with a 1<sup>st</sup> and three 2<sup>nd</sup>s, with Ian close behind with two 1<sup>st</sup>s a 2<sup>nd</sup> and a 5<sup>th</sup>.

With different people turning up each micro-regatta, it's hard to have consistent teams. This week (whatever their team name was), Iain, Gordon and Sam took the collegial honours. Well done guys.

Special points to Vivian for race duty and ze finest results announcement accent yet. Magnifique!

### OPEN LASER NSW CHAMPIONSHIPS

Lake Burley Griffin, Canberra  
- By Ian Saunders

Where do you sail in Canberra? That's what most people asked Ian as Evie and we headed south to take part in the NSW Open Laser Championships on Lake Burley Griffin.

For those in Sydney on November 23, you would remember that it was windy...very windy. It eased in Sydney that weekend, but Saturday in Canberra was a blustery 25 knots blowing straight off the fresh snow that had fallen on the alps the day before.

On day one, the 4.7 fleet managed 4 races and the standard fleet 3, leaving Evie in 3<sup>rd</sup> place overall and Ian 4<sup>th</sup> in the standard rig and 1<sup>st</sup> in the Masters 45yrs+ age group.

On Sunday we were greeted to a perfect Spring Canberra day, but with one thing missing...the wind that had blown the carp out of the lake and onto Scomo's plate from the day before... was gone.

With no further racing completed, the results stood from Saturday, leaving Evie with 3 (yes 3) much sought-after Laser Cube trophies, one for Ian, with the NSW youth team all doing very well too. It was a great weekend and highly recommended to the Laser sailors. Next stop, Sail Sydney, Sail Melbourne, Nationals Tasmania, home... aaahhh...

### Great results Evie, Congratulations!

TASTES OF NAPOLI

### 4P-7\*,8 (SPS 13 & 14)

30 – 35 knot westerly. Race abandoned. Pussies.

### CLUB CHAMPIONSHIP 7 & 8 (SPS 15 & 16)

What a sparkling summer's day. 14 – 18 knot nor'easter; 12 lasers; 2 Club Championship races and the final opportunities for the Spring Point Score.

Dutchy set at great course keeping us out of any 'wind shade' of Manly and everybody went for it.

Phil (Geoff's brother) and Iain shared the CC spoils on scratch with a 1<sup>st</sup> and a 2<sup>nd</sup> each. Geoff, Garth, Ian and Ben came next in the first race with Ian, Geoff, Mike and Richard in the second.

Ian was the fastest on the day, but was hampered by an early start; capsize; and a last-minute move by Iain in the last race. This puts Iain ahead in the CC by a point.

Special mention to Veronique, who sailed really well and Gordon who didn't, who was suffering the effects of partying with Russians. (Tell us more ... Ed ;0))

Garth, Geoff and Ben took the point score podium in the first race while Richard, Phil and Gregor snagged the second. (It's important to share.)

The handicap system is working a treat, with all the corrected times super close. As Gordon says, it DOES actually come down to those one mistakes (eg. Russians).

Amazingly, there was only 10 points difference between 1<sup>st</sup> and 8<sup>th</sup> in the overall Spring Point Score results. Mike held on to win by a single point and deservedly wears our trusty cap till Autumn gets underway. Congratulations Mike.

We have one more Micro-regatta (in the form of a marathon which doesn't sound micro to me) on December 16 and then it's time to rest (and fill) our tummies till January.

Thanks and great racing all.

Exceptional.

It's in our nature to make coffee into an artform. Some call it obsession, we call it character. It's the passionate pursuit of exceptional coffee.
