PRESIDENT'S REPORT

Time to celebrate...

Time to put your hand up...

Time to enjoy the Winter Series...

The summer racing season is over and some of the results of each racing series have been announced BUT we have our Presentation Night coming up. Put it in your diaries and come along and celebrate the achievements of all the participants in our racing and in particular, those consistently achieving the top placings.

I have mentioned before that over the first 12 twilight races, there were 10 different winners. My hat comes off to recognise our (volunteer and hugely dedicated) Handicapper, Graham Radford. **The Presentation Night is Saturday 12 May.**

As we progress into winter we have our AGM scheduled for 5:30pm on 1 July. This is a Sunday afternoon and is after the Winter Series Race 4.

Time to put your hand up and nominate a racing colleague or yourself for a role on your Board. Sharing the responsibility for running the non-racing side of your club is both rewarding and stimulating. New board members bring new ideas and skills and when matched with the experience and dedication of continuing board members, the club will benefit enormously.

Please call me to discuss joining the Board. Put the date in your diary and come down to the club to vote. We still need 20 adult members to have a quorum and the official part of the meeting will only take about half an hour. Barry, our manager, mentioned that there are some left-behind bar supplies from some of our hall-hire customers so we will be able to join the new Board in a drink or two.

An update on a recent Board decision; we have applied to the NB Council for an infrastructure grant to install solar panels on our roof to reduce our costs. As a 'profit-re-investing' community sport club, everything we save will help fund our sporting activities and also help keep our fees down.

A special thank you to Norman Farrell who donated many hours of time to pull the grant pitch together, with the aid of Phil Dressler. I'll keep you posted on the result.

Regards
Cary Budd - MYC President

COMMODORE'S REPORT

Hello you excellent people!

Well, the clocks have changed and the summer season has drawn to a close. And what a season it has been! Between the yacht, laser and junior divisions, we cracked the double ton: we had over 100 races and over 100 boats competing in our race programmes! We also had vibrant Sailability and junior green fleet programmes.

Those programmes would not be possible without you, the participants supporting each of the Club's programmes and, just as importantly, the small army of volunteers that it takes to run the Club and its activities at this scale. Without members, we have no Club. And without volunteers, we have no sailing programmes. So, on behalf of your Club, its Sailing Committee and me personally, let me sincerely thank each and every one of you for your support throughout the year.

I'd also like to take this opportunity to acknowledge all the skippers and crew that showed the requisite sailing skill, strategy and commitment to achieve a place on the podium in our race programme. Chapeau! But we all know that the quality of a victory is only as good as the quality of the competition, so let us also acknowledge the efforts of each person in the entire fleet.

This Club has a well-deserved reputation as being one of the (if not the!) friendliest on the Harbour, even during the heat of competition. So let's demonstrate that same spirit of friendly competition by turning out on **Saturday 12 May to attend the Presentation Night** and support the winners and podiumers (I'm pretty sure that is not a real word, but it seems to work, doesn't it?).

Unfortunately, I can't be there myself because of a family wedding, but Rear Commodore Greg Wilkins will be your host for the evening and will no doubt be his usual highly entertaining self (no pressure then, Greg!).

We also have the **Winter Series commencing on Sunday 20 May, a Working Bee on Saturday 26 May** and many other ways for you to support your Club over the Winter. I look forward to seeing you there!

Fair wind and following seas,

Muir Watson - Commodore

AUDITORS NEEDED

Please come along and join your Club's happy band of Auditors whether for the first time or to catch up on your lapsed qualification. Whatever, your Club needs your help and your volunteering will be very much appreciated.

If you offer no other help with the Club organisation then this would be an ideal way to contribute your services, very minimally, and help make your sailing and racing experiences more enjoyable.

Auditors' courses will be held on the weekend of **May 26th and 27th at Royal Sydney Yacht Squadron.**

The Saturday 26th course will be a refresher course for those who have done the course before but probably let their certificate expire.

The Sunday 27th course is for those who wish to participate as an Auditor for the first time.

For more information or to register please contact Australian Sailing by phone or try: www.sailing.org.au then, Programs and Courses>Sailing Services>Officiating>Upcoming Officials Courses>NSW.

MYC CLUB MOORINGS

Ever thought about having up close and personal boat access to the Club?

- ✓ There is a fully serviced deep water **MYC Club Mooring** available just south of the Manly 16ft Skiff Club.
- ✓ Able to take boats up to 45ft
- ✓ Cost \$1300 per half year

There is a fee for storing a tender at the Club or you can utilise the Club tender for ship to shore transport.

If you need more info or even if you are not able to take up the offer immediately then you may like to place your name on the **MYC Mooring Wait List** by contacting:

Club Manager by email manager@myc.org.au or on 0415 783 910 with details of your boat.

TUESDAY MORNING WORKING BEE

The good news for all of you hanging out to be part of a Working Bee in 2018 is that we are conducting a mid week working bee on

TUESDAY MORNING 24TH APRIL

to carry out painting in the Hall and Kitchen - areas where we have had trouble attending to because of Hall Bookings.

For everyone who would like to miss a day at work for a good cause or for those of us who no longer are part of the five day grind please come along on Tuesday 24th April.

The plan is to sand back skirting boards and timberwork in the Hall/Foyer area and paint, as well as painting the ceiling in the Kitchen, which has been repaired following water damage.

A high tea inspired morning tea will be provided so if at all possible please come along to help.

A few things to bring if you are able:

- Drop sheets
- Palm/orbital sanders
- Favourite paintbrush

Thanks, Barry - Club Manager

DON'T FORGET THE DOWNSTAIRS WORKING BEE ON 26TH MAY

IF YOU CAN'T SPARE SOME TIME FOR UPSTAIRS PAINTING
DURING THE WEEK

DUTY ROSTER CO-ORDINATOR

With another summer of great sailing competition successfully completed, we need to recognise the contribution of all those members who gave their time to serve on Race Committees throughout the season. Without volunteers to run the events there would be no racing possible and MYC would be a vastly different club to the one we all enjoy today. Many of our volunteers serve on a Race Committee multiple times throughout the year, which is testament to the volunteering spirit in the club. Thank you to all; you can be proud of the work you have done this season.

There are still opportunities to do your part on a Race Committee with the Winter Series starting in May. What better way to serve your club than spend an afternoon on the deck of the club watching the yachts starting and finishing their racing? The best part is that as well as serving your club and fellow sailors; you will enjoy yourself in the bargain.

Shane Kelly – Duty Roster Co-ordinator

Meanwhile... another working bee is taking place. Our hardworking handicapper, BIC storage rack designer and builder, has turned his eyes to the inside boat storage room and constructed BIC trolley wheels and BIC sails storage, with the, soon to be completed, trolley handle bar racks and rudder storage on the way.

Hopefully this will keep that area just a little bit neater.

GREEN FLEET WRAP UP

Each sailing season a handful of high achieving children graduating from the sailing school are recommended to our clubs Green Fleet. These are children who have performed well in the school's courses and have shown an interest and dedication to the sport of sailing.

The Green Fleet is made up of kids who can sail from the pontoon in light to moderate weather and handle their boats with a degree of proficiency. At the end of their time in the Green Fleet they will have consolidated their understanding of tacking reaching and running (the points of sailing) and be able to cross a starting line and sail a simple course. Each year a number of Green Fleet kids graduate to the racing fleet and eight kids successfully made the switch this season.

At the beginning of this season 17 kids, with their parents, attended the junior's registration day for the Green Fleet where paper work was checked and fees paid. Both kids and parents received a briefing on what was required of them in terms of rigging, de-rigging, launching and retrieval of the boats.

It was stressed that the parents have a significant role to play in the smooth running of the sailing days. The kids were a mixture of last year's Green Fleeters and new recruits and they have been making good progress under the watchful eye of head coach Marcus. By the end of May when their season finishes there will have been 26 sailing days.

The Green Fleet is further divided into four sub fleets. On both Saturday and Sunday afternoons the Optimist Dinghies are put to use by those new to the fleet, the first timers. Once these children have built up enough skills they move to the Pittwater Juniors and sail on Saturday afternoons. Those who are nearly good enough to join the race fleet sail on Sunday afternoon in the BIC Sports Dinghy.

During the summer school holidays Manly Sailing School advised that six of their students were very capable of entering our Green Fleet if there were room. This prompted a shake out of positions; children were promoted from one sub fleet to another and some to the Race Fleet to make room for the new comers. It also meant that parents were encouraged to buy boats as the club's boats were put to more and more use. Because our young sailors make such good and fast progress through the sub fleets these reassignments are necessary and a regular feature of the program.

PEPPER TREE WINES

TASTES OF NAPOLI

Iain Cameron has been crowned the **Pepper Tree Wines 2017/18 Club Champion** winning the last heat of the series and getting home by a massive 9.5 points. It was an excellent effort going back-to-back from last season. Well sailed again.

Congratulations to **Phil Reid** who picked up both the **4P Championship and the Micro Regatta Series**. Thank God that **Garth Riley** pipped him in the **Spring Point Score** by 0.4 of a point or Phil would hold all three trophies for the season.

Garth Riley sailed an excellent series in the Spring Point Score, which was a really tight competition in the end. Well-done Garth. And, special mention to Nicole for coming home in 8th place; well sailed.

The big news around Manly is that **Gordon Lacey** managed to keep Mike Franklin and Ian Saunders at bay to take out the **Autumn Point Score** by only 0.7 of a point. Gordon also took out the overall Laser **Champion Point Score** Series pushing Phil aside at the end.

Special mentions to both Marcus James and Ian Saunders who sailed really well this season and challenged Iain quite convincingly at times. Also well done for Gregor Riese who picked up a win in the final races, he is still wearing the Winners Cap I've been told.

I must mention the quiet achiever Geoff Reid who would have been in contention for quite a few podiums however due to a back injury which ruled him out for many of the final heats.

In the **2017/18 sailing season** has been a fun one with 24 registered boats and on most days having a fleet of a least 12 boats. We also had a strong female fleet with Evie sailing really well in most races and Nicole getting a lot faster this season along with Veronique, Steph and a special appearance from Jasper. This was the first season of Olympic styled courses and they were well received by pretty much all the sailors as they are both challenging and competitive.

It is quite clear that the sailing standard throughout the fleet is getting much tighter and it shows in the results this season; imagine if we were all fit! The Manly Laser Fleet has also been quite well represented in State regattas during the season and picking up some good results.

The Laser fleet would like to thank the Club Board Committee for their support and a special mention to Colin Cameron the Club Captain for looking after us downstairs and on the deck. See you all in September.

RACING FLEET WRAP UP

This season the Junior Racing Fleet sailed in two divisions, Flying 11 and Open BIC, each competing for the Spring and Autumn point scores as well as Club Championships.

We had a great season with 25 races completed across the three series and only three races abandoned due to adverse weather conditions. Participation has also been good with up to 17 Open BICs and three F11 on the same course.

MYC juniors also had a great representation at regional and national regattas (F11 Nationals in Manly, Open Bic State in Lake Macquarie, Open Bic Nationals in Moreton Bay, QLD, and Sail Sydney).

Finally, we are all very happy to report that Evie Saunders (Laser), Oliver Martyn (29er) and Hugo Taranto (29er) all made the NSW Youth Sailing Team selection for 2018-19. It is great to see current and past MYC Juniors members now involved in the State Sailing Performance Program and on their way to greater sailing achievements.

So, well done to all winners and place getters this season. To all young sailors, the message is clear: turn up every race day, try hard, practice the difficult things and learn from the coaches so that you keep improving. Sailing is not a power sport – it's more brains than brawn – concentrate and you will achieve amazing things.

It's also clear that quality coaching is essential to ensure children enjoy their sailing experience. Coaching enables them to handle their craft in all conditions, feel in control and get the most from the sport. Our club has been lucky in securing the services of experienced coaches who are very competent sailors in their own right and enjoy working with kids.

The importance of our club having a vibrant junior fleet can't be overstated and we will continue to rely on commercial partnerships, donations and volunteerism to sustain our fleet of juniors well into the future.

Xavier Decomps – Juniors Race Director

CALLING ALL JUNIORS (and their parents)... please help the editor out by providing some images and stories... this is your club too and I can't keep making it up ...thanks, Ed

POSITIONS VACANT

Do you have a flair for organising parties?
Do you like catering for large crowds?

If this sounds like you (or someone you know), why not consider volunteering to manage the Twilight Catering for next season, or perhaps the Summer Ball.

How about a flair for marketing?

Each season we like to re-engage our fabulous sponsors so that they continue to supply their fabulous prizes on race days.

We also have a great bunch of advertisers for our handbook. In fact, without the advertisers, the cost of the handbook is the club's to bear, and that can only mean a rise in membership fees.

So, you see, by assisting with some of these positions, you help keep our fees at a reasonable level.
