Our Honoraries

We wish our H.H.H.V.

(head honcho honorary volunteer) Peter Wilkins a great sabbatical. Peter and Bev will be away for some time tripping around Europe and Australia...don't forget to come back you two, we miss you already! Peter leaves the racing nitty gritty to the ever reliable, ever steady Steve Marshall, Mary Peacock, Judy Richardson, Jozy Sutton, Nick Steffens (who has stepped in at short notice when we have needed someone with a boat licence) and Sailability's Eli Demeny who generously helps us out too.

At Manly Yacht Club all members are volunteers. Honorary members, however, join the club specifically to help run the races; they get to the club two hours before the race, and at the end of the day when the yachties are relaxing, they are pulling up marks, filling tanks, and generally clearing up. We've had a number of new volunteers join us recently and to welcome and introduce them, we asked our Principal Race Officer Ann Webber, who does a terrific co-ordinating job, to tell us more about them:-

Please Welcome...

Gillian Matthews Gillian used to sail on Nice One but due to injury can't trim the way she used to just yet! This hasn't stopped her helping Peter on the starter boat and continuing her love of the water. Sophie Tyner the Australian with the Yankee accent. Sophie's family have recently returned to Oz and she has proven invaluable. Sophie is multi-talented both on and in the water, having recently completed her Bronze life saving certificate.

Manuel Mitternacht from Germany. Manuel is now living permanently in Australia with his English wife who is a nurse at Manly Hospital. Manuel is very, very enthusiastic and a real find! He and Steve make a very successful crew on Robbie R.

Lynne McDougall who came to us with no previous experience. Lynne has turned out to have real mark laying talent. But beware yachties - in her other life Lynne is a Customs Officer

Angus Calderwood is from South Africa, he and his wife are living here for a year. Angus was roped in by a mate who answered an MYC ad stuck to the lamp post outside the club! His Dad was in the merchant navy so he has spent his life around water, which is just as well. The winds whenever Angus was initially rostered were around the 30 knot mark!

A BIG THANK YOU TO ALL OUR HONORARY **VOLUNTEERS AND A SPECIAL HELLO TO THE NEWIES.**

President's Report

THE END OF AN ERA AT MYC:

Friday 12 March 2004 not only saw the end of our most successful Tyrrells Twilight Series to date but also saw the end of an era - the retirement of Mary and Judy, our twilight race officials. In 1997, I mentioned to Mary that the Club needed a starter for the Twilights knowing that she had been a keen sailor in her younger years. She jumped at the chance to be involved, seconded her good friend Judy and the rest is history. These two people, with their dedication and professionalism, are largely responsible for making the twilight series the most popular race series in the Club. Mary has been a frequent visitor to the sailing committee, giving well thought out recommendations on improving the series. They have a reputation for showing no mercy to those who cross the line early but here consistent rulings have been the basis for good racing. It is fitting that Mary and Judy shared the MYC Citizenship Award last year. They will be hard to replace.

It is people like Mary and Judy who give their time and energy so freely and frequently that allow a volunteer club like ours to keep operating in the professional way that it does. On behalf of all those who sail in the twilight series, I thank you both for your efforts. Mary will continue as duty officer on the occasional Sunday so we will still see her around - and we might see them both on Blue Rhino next year!

DEPARTMENT OF SPORT AND RECREATION GRANT:

Manly Yacht Club has secured ANOTHER grant to help fund the hardstand. The Department of Sport and Recreation has allocated \$23,000 to the Club from its Capital Grants program. This will be used along with the \$44,000 recently awarded by Waterways to fund a very usable deck and rigging area for the MJs and Access dinghies.

It will be a busy year at the Club this vear. In addition to the hardstand project, we have the wharf repairs, the accessible toilet and shower and perhaps a new kitchen to improve catering and hall hire. The Board has allocated the \$10,000 from the National Volunteers Award to the toilet and shower and the Council has foregone rent for 2004 on the basis that this money be used for the toilet and shower or other items included in our Disabled Action Plan.

HALL HIRE:

The Council has given its consent to a proposal to give exclusive catering rights (for non club member events) to a function management company in return for better management of hall hire events. Noise from hall hire events has been a cause of frequent complaints from neighbours. The Council has recently established a noise complaint hot line and is seeking to have events in Manly properly managed to eliminate problems for local residents. Our intention with this proposal is to have a function manager at every event to safeguard the best interests of the Club. The event manager will also prevent damage to our club premises during events, promote responsible consumption of alcohol and ensure that quests leave the premises promptly and without disturbance to neighbours. This proposal will not have an impact on our hall hire revenue. Hall hire revenue will continue to come to the Club. The event manager will generate its income from catering. It will mean that non members who hire the hall will pay more for catering services. Members will continue to be able to hire the hall at a discount and provide their own catering. The Board will make a final decision on this proposal at the April meeting so if members want input into this decision, please contact me prior to the

next board meeting on 5th April.

Timber stacked ready to finish the job!

Manly Juniors

Saturdays have seen Manly Cove buzzing with the MYC junior fleet. The recent change in the ferry

timetable with increased jetcats has created some hair-raising moments for the shepherding parents on support boats. We have had a mixed fleet of up to 9 boats sailing each Saturday. Our most recent members, Angus Clarke with little Jack Curtis as crew, have blitzed the races winning everything each week! Angus previously sailed his MJ 'Joc'at Bayview. Philippa and Izzy on 'No Restrictions' couldn't catch them even with a spinnaker. Well done boys. Angus McKenzie-Wills is sailing well on his MJ 'The Swick Too', with his new crew Axle. Alex McDonald with Emily Shelbourne as crew are getting it together (and getting wet) on Titanic. Alice Donaldson skippering 'Broad Reach' with Natalie Schultz as crew are on the up and up. It is great to see younger sisters taking on the boats as the older ones progress to Flying 11's and Lasers. Nicole Donaldson and her father Richard (as 100kg crew!) had fun keeping the new Tasar upright in light winds recently.

Jules Lawson and three young English trainee instructors from Flying Fish (Sailing School) came along on the 21st of February to give another skills session to the junior fleet. The wind came in strongly from the South East and made it a lesson in heavy weather sailing with frequent capsize practice.

The girls are all sorted into boats with crews in keen anticipation of the Women's Challenge which this year will be a mixed centreboard fleet, not just MJ's. Nicole Donaldson appeared in the Manly Daily recently representing MYC Juniors in an article about the Women's Challenge. Good luck girls!!

Inside View of the Sydney to Hobart...PART 2

MYC sailing secretary Jim Nixon recently did his 10th Sydney-Hobart race on Pippin, a Farr 37 from the CYCA, and lived to tell the tale. Here's the second instalment....

The winner of the Sydney-Hobart on handicap is usually the boat that makes the fewest mistakes. As important is sailing a good first night. By morning on the second day Pippin hadn't made any major blues and we'd had a great night: no-one had been sick, the sail changes had been efficient (shifting through the gears: No.1 to No.2 to No.3 back to No.2 to No.1), and our tactics spot-on. The crew of eight had sailed together for years and done thousands of miles together. But our secret weapon, as always, was the skipper's wife, Annie. As well as being radio operator, navi-guesser, a qualified nurse and grandmother, she's a sensational sea cook. No matter what the weather, out of the galley comes a continuous flow of curries and pappadams, goulash, steak and kidney pie, ice cream and apple crumble, endless cups of coffee, tea, soup, etc, etc. And potent rum and cokes if we are doing well. I'd been hooked after just one sail on Pippin and soon told the Impeccable crowd where they could put their nofrills cup o' soups. An army may march on its stomach but even Captain Cook knew the importance of good tucker at sea. Annie is from Cornwall and no doubt has the blood of quite a few generations of sea-farers. All this means the other seven sailors on board can concentrate on sailing the boat as fast as they can for three hours and then sleep for three. No arguing over who has to do the washing up or pack the spinnaker.

Anyway, the decision to stick to the coast on the

first afternoon had paid off. We'd managed to scrape past Cape Banks off Botany Bay and had 50-something miles before we'd have to worry about closing the coast at Wollongong and be forced to make a tack out to sea. At about 8pm we hit the jackpot. Slowly but surely the breeze started to go east, slowly but surely we climbed off the coast and back onto the original rhumb line. Huey was on our side for once. The boats which had gone offshore, which included Impeccable and the maxis and most Volvo 60s, looking for south-setting current had made a huge mistake, throwing away valuable time sailing at right angles to the course to Hobart.

We romped on into the night, the breeze building to 20 knots and the old-fashioned, bulbous IOR hull ploughing happily into the lumpy sea. We easily cleared the Sir John Young banks off Jervis Bay, an area most seasoned Hobart sailors try to avoid, and by morning were 20 miles off Bateman's Bay and hooked into over a knot of set, with the edge of the continental shelf 200 metres below our keel. The south coast slipped past, with only about four other boats in sight and the sou-easter slowly heading us. First National, the eventual winner, was only 16 miles ahead, and according to the late afternoon sked we were in third place overall in IMS with First National, a tricked-up Beneteau 40.7, in second spot, and surprisingly the maxi Brindabella out in front. Finally we were forced to make a short tack out to clear Green Cape, which sticks out a fair way near the NSW-Victorian border. Another tack back onto port saw us entering Bass Strait as the sun set on the second day at sea. Dinner had been first rate, a fiery curry by recollection, but the weather sked had something more spicy on the menu ... a 25-knot southerly buster. To be continued

Sailability

Our group has been a very active part of Manly Yacht Club for the past month. Thank you very much to the new volunteers who have spent lots of time and energy with us to make our Sailing Days such a success.

Saturday, 14th February turned on some fabulous weather. 11 sailors and 12 helpers came to spend time out on the water, or at the Yacht Club. We were very honoured by a visit from a U.K. Sailability member, David Campbell, and a visitor from Brazil. All in all, a very good day.

On Saturday, 28th February, 30 people were involved in a mammoth Sailing Day. Conditions were perfect, and everyone wanted to stay out for the maximum amount of time. Des and Charlie were a wonderful help in the Rescue Boat, Judith sailed until she had no battery left, and everyone was ecstatic with the result. All 8 of our boats were on the water, making a fabulous sight for everyone.

On Wednesday, 10th March, amply aided by Charlie and Tony in the Rescue Boat, and in very choppy seas, 12 helpers managed to sail 17 sailors with disabilities. Ivan and Ben managed to go for a swim in Jack Harkness, when it got swamped, and came back very elated and wet. The rest of the group also got wet bottoms, but at least avoided a swim. Many, many thanks to our brand new helper, David, who did a lion's share of the work. Eli Demeny Evelyn Shervington THE VOLUNTEER CO-ORDINATOR (9976-2134)

My Twilight Days

I never thought I'd look forward to my twilight days, that time in your life when you realise the end is nigh...Actually, the twilight days I look forward to are Fridays, when I guit the city early (much to the envy of some of my work colleagues), watch the city recede from the back of the Manly ferry, then hop on a yacht to participate in the MYC Tyrells Twilight series.

Once on the water the cares of the week melt away, making it a great weekend kick off. Sometimes, when we need extra effort on the winches or runners the TwoCan call of "Who p#xx*^ you off the most today?" provides just the right incentive for the constructive release of stress for any crew member who's had a bad day.

Twilights provide a gentle introduction to vacht racing and a good transition for those who may have started out in dinghies. For the skippers it's an opportunity to recruit and train crew for more serious racing. It's also a great way to meet people and MYC has been able to treat many a backpacking tourist to a once in a lifetime experience on Sydney harbour.

Now into my fifth season, I've watched the fleet grow steadily as yachties from other clubs have heard about this fabulous end of the week un-winder and started joining in. In 2003/04 we've regularly had over 30 yachts participating, which has provided a big challenge for our eagle-eyed judges, Mary and Judy, who unfortunately, after many years of dedication are retiring at the end of this season. Heaven help any skipper who hasn't synchronised with Telstra time and jumps the start: even a few seconds results in a five minute penalty.

The big fleets have added to the sense of competition, with some mark roundings a battle of wills between helmsmen amidst cries of "Buoy Room!" "Water!" and other, sometimes dubious, interpretations of the racing rules. Don't even mention the frantic calls of "Starboard!" In the old days all we had to worry about was dodging the CYC fleet.

Afterwards it's back to the club for a hearty feed and a few drinks, with the catering this season provided by Danny, Nick, Debbie and the young boys. Meanwhile, race director Stephen Teudt will be gathering stories to spice up the results presentation heralded by his signature cry,...

"LADIES AND GENTLEMEN!"

And now a word of thanks to our sponsor. Tyrells have been providing the wine prizes for many years including magnums for first and bottles for second and third. Only those boats flying the Tyrells burgee are eligible. though! This year the series grand prize is a generous five cases of wine. Members are also encouraged to order Tyrells wine using the form enclosed in this MYC News.

As Bruce of Pacific Breeze knows well, the sure way to win this series is to come fourth every week to avoid the big handicap penalties awarded to first (a whopping nine minutes), second (six) and third (three). In the spirit of a relaxing end of week race this handicapping system is designed to give every boat a good chance of a win or place at least once during the season.

So as the sun sets on this year's series, don't forget the three "Rug Up Cup" races (see Stephen for details) and start looking forward to your next season of twilight days.

2004 Manly Arts Festival

The Manly Arts Festival, which is a two week extravaganza of arts co-ordinated by Manly Council - will be held across Manly from 5th to 21st September 2004. We are considering staging an exhibition of

creative work by our members and their immediate families to show our community that Manly Yacht Club can do more than sail.

We have provisionally booked our facilities for this event to run from Friday 17th September (for the exhibition opening night) through to Sunday 19th September 2004. If you are interested in being a part of this special opportunity by helping to run the event or by contributing an artwork, please let us know by completing and returning the form to the Club Secretary by Wednesday, March 31st 2004.
