OCTOBER 2015

YOU MAY RECALL FATHER'S DAY 2014 ... A WORKING BEE

WELCOME TO STAGE 2...
... THE DOORS

No, not those doors ... The sliding doors

Club members Bruce Davis, Rob Luttrell, Peter McDonald, Jefferson Holden, Hamish Martyn, Dave Holland, Sean O'Dwyer, Cary Budd, Ian and Romy Saunders and Colin Cameron, have been busy over several weekends, and more to come, to finish what was started in September 2014. To squeeze every little inch out of the storage and rigging area, the doors are being converted to sliders (no, not beef sliders).

The first door is ready to roll and it is sooo smoooth, that we will be putting up signs to warn of the "pinch point" danger. Still a long way to go ...

SOME THINGS TO REMEMBER

ANCHORS AWAY!

Here is a timely reminder for the start of the sailing season, to stow those anchors while racing.

It will be the perfect tack or the exceptional spinnaker drop that will win you the race, **NOT** that extra 20 or 30cm protruding from your bow.

For reasons of safety, and because it's in your sailing instructions, please make sure you comply.

WHERE'S THE FERRY? ... OR CRUISE LINER?

Be aware of ferry timetables and shipping movements on race days.

IT'S YOUR RESPONSIBILITY

to keep your distance and to keep a clear lookout

AND HERE ARE SOME MORE...

- → Stay out of the starting area until your warning time (5 minutes before your actual start time) otherwise the race committee will penalise you
- If the light is marginal turn on your navigation lights no steaming lights while sailing please!
- Stay out of exclusion zones
- → If you decide to pull out of a race please inform the race committee – there will be consequences if you don't.
- READ THE SAILING INSTRUCTIONS including General Conditions of Racing in Section 6 of your handbook.
- → Check the course and course number don't assume the courses are the same as last season
- Safe sailing! Have fun!

IF YOU AREN'T RACING PLEASE VOLUNTEER FOR THE FRIDAY TWILIGHTS RACE COMMITTEE

AHOY ALL LAND LUBBERS

As the summer approaches it is time to get the Race Roster ready for our popular Friday Evening Twilight Races.

This is where all our non-sailing members and friends can join in the fun of helping and learning how to organise the race starts and finishes. We don't have boats on the water but the Triangles at the end of the jetty and on the deck outside the office show our start and finish lines. We need to keep an eye on miscreant boats crossing the line too early and we need to log the time when each boat crosses the start line and crosses the finish line. These lines are set when the bow of each boat crosses a line made when the points of the two Triangles line up, very easy. Also we provide you with a free meal and complimentary drink!

Of course all sailing members are welcome to volunteer for Friday night roster, especially if you are not racing.

Please contact: Jill Madden - <u>dutyroster@myc.org.au</u> or phone - 9948 4800

MYC MINI REGATTA SUNDAY 15TH NOVEMBER 2015

SMALL is the new BIG!

Peter Mac is back running the Mini
Regattas this year and he will be relentless in his
pursuit of a big turnout. After all, the more entries,
the more exciting the racing will be.

Open to the smaller yachts in the club (spinnaker and non spinnaker), it's a perfect series for you to have some good close racing.

With a day of multiple races, you and your crew will have lots of starts and choice of tactics to sort out the bugs and hone your skills. It's also a good time to train up some new crewmembers.

There will be lots of prizes and a chance to pick up the much-coveted Mini Regatta trophy.

Not to mention the Grand Prize this year is two nights accommodation at Pittwater YHA in a family room mid-week (including school holidays) plus kayak hire.

So you better get your entries in for *Sunday November 15* and *Sunday January 31*, or you will be receiving a phone call from Peter Mac.

It could get ugly, as he has a 'no excuses policy' to this series and anyways... it's a lot of fun!

NSW BIC REGATTA

Open BIC ELES

The place to be for BICs on **Sat 28th and Sun 29th November** will be RMYC at Newport for the NSW BIC
Regatta. And the best part is that you don't even have to own a BIC because charter is available. Click on the link below for details (and click through the link on that page to register).

These events are serious up the front of the fleet but a load of fun for the majority with a wide range of abilities. There will be both Gold & Silver fleets, with prizes for 3 age categories.

As RMYC is home to *Rahiti*, MYC Junior's unofficial support boat on Pittwater, there's a chance parents will be able to get out on the water to see the action up close and comfortable. So definitely worth considering and we'll have a very visible and vocal MYC contingent.

http://www.openbic.org.au/events/2015-nsw-open-cup/

MYC Juniors provides coaching and racing experience and develops kids from beginners to racing ability. It runs on Saturday afternoons of school Terms 4 and 1. It is run by sailing instructors and parent volunteers.

All kids from 8 to 15 years are welcome. More information:

Commodore (Starboard) vs President (Port) - PROTEST!

Uli remains undefeated

MARATHON RACE 1

(apologies ... story missed in Sept issue ... Ed)

The first marathon for the new season lived up to its name - it was a real marathon getting across the finish line! Peter Bennell had set the new "medium" length course in anticipation of a building breeze.

The forecast gentle South Easterly never arrived, so the fleet drifted out of Manly Cove towards the Sound. The conditions tested even the most patient crews with the leaders taking about 3 hours to reach Fort Denison.

By this time half the fleet had withdrawn, but just three boats were rewarded for sticking with it... Old Habits Never Die, Mim and Bella. Once they turned around at Fort Denison a North Easter started to fill in and this was enough to get them home albeit after 5 o'clock.

Spare a thought for Esprit, leading Division 1 by a considerable margin before "hitting the wall" around the Harbour Bridge. They parked up beside Kirribilli House and we understand the skipper vented his frustration on our ex-Prime Minister before being the last Division 1 boat to withdraw.

Congratulations to Old Habits 3rd, Mim 2nd and Bella 1st in Division 2. Despite taking a wrong turn and having to sail a greater distance, Mim came very close to winning being just 38 seconds out of first place after 5 hours sailing.

Looking forward to the next Marathon in December see you there!

PEPPER TREE WINES CLUB CHAMPIONSHIP SERIES

It's difficult to know who to blame ... El Niño, the Bureau of Meterology or maybe Peta Credlin? ... for the unforecast southerly onslaught that met the fleet assembled for the second race of the Club Championship.

Granted the BOM had indicated a moderate southerly but minutes before the Div 2 warning signal it piped in at well over 20 knots and most participants were soon hunkered down in the lee of the aptly named Reef Beach with crews desperately struggling to put in last-minute mainsail reefs.

RO Radford and team, gallantly backing up on Carlyle from race 1 as San Toy doesn't go upwind very well without a mast, sent the fleets off on the Southerly course and its first mark at Lady Bay.

Onboard Melody for the day was a rock climbing friend of the author's who is normally a very brave fellow.

The MYC News crew is still

camped outside the Teudt compound at Fairlight awaiting an interview to determine whether rumours Steve hurt himself while stepping onto the Davis Marina pontoon are true.

Luckily no further casualties were recorded in the race and Kaotic stormed to line honours in Div 2, with Ratty Tooey taking the handicap win from the J24, and third spot going to Bella, who, despite the ban on commercial fishing in the Harbour, managed to net a few kilos of prawns and a rudder after crossing the finish line.

Bullet was fastest in Div 1 and also scored second spot behind Wild Life in the handicap calculations, with Ten Sixty third.

All in all a thrilling day; with the jury still out on who to blame for the blow.

Jim Nixon Race Director

But we soon fixed that when the little boat was flushed with about 200 litres of water before it had passed the Toilet Rolls.

Needless to say the old maxim that nothing works faster than a scared man with a bucket was proved to be very accurate. Crossing the Heads felt like a bad night in the middle of Bass Strait and the heavy-weather experts came to the fore.

Kaotic and Ratty Tooey soon dominated in Div 2 and Bullet and Wild Life cleared out in Div 1. Bruce had the Etchells tuned like a Stradivarius but unfortunately he didn't have Stephane Grappelli on the helm and later admitted they picked some bad tacks.

Back in the pack the excitement was at fever pitch on the downwind legs. Spinnakers were flown but gybes took their toll.

Unfortunately for Two Can things got a little bit too exciting when a port and starboard incident led to a Mother-in-Law crash gybe (an MIL gybe is like a Chinese gybe but much more unforgiving).

Steve and son Ellis were injured and the boat withdrew from the race. The pair went to Manly Hospital where they were snapped by the paparazzi.

Sunday 27 Sep 2015 - Yachts CC2 - Lasers CC3/SP4

I made an early decision to abandon racing on 'Bokarra', for the day, but as the day progressed the rain eased and the wind freshened, which looked good for those who were to brave the elements.

Not wanting to miss the action, Sara and I took advantage of the high, stadium position, on a park bench, behind the start boat, on the Fairlight foreshore.

Some of the yachts were struggling in the fresh conditions before the Laser fleet got off to a clean start. Two Lasers decided early on that it was going to be 'too' much and retired. Having sailed a Laser in the past I could really appreciate what the wind was throwing at them and I was full of admiration how the fleet displayed all the determination, and will, to complete the course, but it became evident that there was going to be confusion regarding the finishing line.

The bottom laid mark was still in position and looking like the finishing buoy. Two Lasers were engrossed in close competition and were mistakenly heading for the wrong side of the finishing boat. One boat heard a call from the finishing team and the other didn't and was DNFd.

I was very tempted to protest on behalf of the DNF boat, but decided that an email to the Commodore might be more constructive in remedying any future confusion and disappointment.

Colin Cameron

(The editor was on this race committee ... the bottom laid mark was in position for the 2 "tail end charlies" so could not be removed. And as a Commodore that I once was, would say ... "Read the Sailing Instructions" which indicate that the finishing hugy is at the "port on

which indicate that the finishing buoy is at the "port end" of the finishing line ...Ed).

WIND STRATEGY

10TH NOVEMBER 2015, 7pm @ MYC PRESENTED BY Craig Ferris

No sailing without wind! Craig will draw upon his many years of experience as a sailor and sailing coach and explain wind

to us and how we can apply knowledge of current wind conditions and the forecast to racing and our racing strategy. He will cover the effects land has on the wind, wind gradients, sea breeze effects and wind cycles.

Craig has been involved with Olympic, National Youth and Class coaching with many teams reaching the highest level within their class. He has coached many classes throughout this time such as 470, 420, 505, Flying Dutchman, Tornado, 18 and 16ft skiffs, Lasers, Boards and Hobie 16 as well as many Youth and junior classes.

Craig has also achieved remarkable results during his own sailing career, including National and World Championships in a variety of international youth and senior classes, most recently winning the J.J.Giltenan World trophy in the 18ft skiff "Rag and Famish Hotel".

Cost: \$15 adults, \$5 juniors RSVP: training@myc.org.au

Be prepared with curly questions ... What's a "cat's paw"? or a "Tomato Splat?"

"Why is it always quiet at Neilson?"

"Why do you go looking for cloud? And when do you not?"

"What to do on an oscillating breeze?"

"What to do on a gradient breeze?"

"How to get to the start line – on time?"

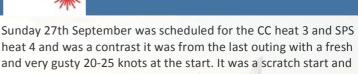

MYC LASER FLEET

Can you believe that already the Laser fleet has completed 3 heats of the Club Championship, 5 heats of the Spring Point Score and 4 heats of the LMR and October has only just started!

The sailing so far has been a lot more competitive this season with so many contenders in each race resulting in some right of way issues and misinterpretation of both the course and race rules. I have to say all-in-all it's been a lot of fun and has made for some very exciting starts.

The 2nd heat of the CC and heats 2 & 3 were contested on Sept. 20th in a day with hardly any wind, not a great day for sailing dinghies. By the time the fleet had finished the second race of the day and headed back to the deck the sun was almost over the hill in the West.

In the SPS heat 2 with Iain Cameron on duty for the day, Ian Saunders sailed away to bag a win, followed by Sean O'Dwyer in 2nd and Garth Riley in 3rd. In the CC heat 2/SPS heat 3 we had no wind in parts up to 5 knots in others with the wind shifting all over the place. The work from Grotto Point to Cannae was the deal breaker Ian Saunders, Geoff Reid and Gordon Lacy deciding to take the Northern side while Sean O'Dwyer, Garth Riley, Ed Wray and the rest of the fleet taking the Southern side. The North won with Ian, Geoff & Gordon taking the medals and Gordon taking the Winner Cap on points from Geoff Reid & Richard Lacy in 3rd.

heat 4 and was a contrast it was from the last outing with a fresh and very gusty 20-25 knots at the start. It was a scratch start and most skippers considered the boat-end to be favoured, either that or they needed the length of the starting line as insurance for being early.

To be honest I can't report on much of the fleet racing in this one as I was too busy keeping *SqWall* upright in the "squall" that pushed into the cove along with a nice swell. The race was sailed really well by the whole fleet with almost all boats finishing. In the end Iain Cameron crossed first with Ed Wray in 2nd followed by Ian Saunders in 3rd. Special mention must go to Geoff Reid who did finish in 3rd spot however on the starboard side of the finish boat, led in by Ed who went back.

The Winners Cap was awarded to Ian Saunders for the race winning on points and also managed a very nice entry into the Catering Cup for a great weekend. Ed Wray managed to squeeze out a 2nd place and in 3rd was Garth Riley.

After 4 heats of the SPS the Lacy brothers are asking questions sitting in 3rd & 4th behind Iain Cameron & Ian Saunders. The Club Championship is very solidly held by Iain Cameron so far with Ian Saunders in 2nd and Sean O'Dwyer doing very well in 3rd. Geoff Reid unfortunately has slipped into 4th after the mishap at the finish, but is sailing very well. Phil Reid who used to sail at the club better get back from the Rugby World Cup if he is to even look like delivering a speech next May.

$m{24}$ J24 REGATTA GOSFORD 3rd and 4th October 2015

This was our first regatta in our new J24, Wildfire and as with many adventures it did not disappoint.

We started out at 5:30 on Saturday morning, picking up crew along the way to Ingleside, to a paddock where the boat lives.

The previous owner met us there with the rudder he had just faired and reluctantly handed over the last piece of his old friend Wildfire.

So with his blessing we hooked up the trailer and were away. Well... so we thought! 500 metres along the highway Rob asks Matt did he lock the trailer head, or did he see Rob do it, to which there was some definite "maybe, no, I don't think so, perhaps" type responses.

So, we stopped at the next safe point with a nice big clung as the boat unhitched it self and speared the back of the car.

Luckily the rear bumper was just plastic and once we had removed the trailer it sprang back out none the worse. So we were off again. A few further metres along we could not ignore the noise from the trailer any more, so we stopped and wound the jockey wheel up.

So off again... until a cry of alarm from a crew member "where's my phone? I was using it a moment ago... now it's gone". So, we all phoned the missing phone hoping it would answer, but realising it was going to be back to the paddock. The phone was waiting by the gate with lots of missed calls, but otherwise none the worse for its adventure.

We decided that three events were quite enough and next stop Gosford. So, apart from coffee, buns, toilet and cigarette stops, Gosford was our next stop.

Oliver Ross Will Divola Jack Polkinghorn The day was hot with a balmy 10knot wind from the west. The mast was hoisted and craned gently into the water for its first dunking with its new owners, with the generous help of Arthur.

Saturday was a great day for topping up that tan and getting sunstroke. We had drunk most of the water on board, and yes, all of the beer (it's only a small boat), before the first warning signal and the sea breeze finally blew in, one and a half hours after the scheduled start.

We had a nice sail mid fleet, tactics were waning but crew and boat were fab. We managed three races.

On the second day we had a strong, blustery, hot, west wind; in fact the strongest gusts I have felt in a long time on a J; about 5 to 30 knots. We held our own, and after three more races we finished 4th out of ten on scratch and 2nd on handicap; complete with ripped main sail.

We came away with a couple of mugs (not the biggest mugs) and plaques all round. Amy was ecstatic that her first J24 Regatta had resulted in a trophy and is now hooked.

To cap it of Rob, after much celebration and socialising, missed the side of the boat while we were packing up and took my phone with him for a swim.

So we made it back to Sydney smiling, sorry our latest adventure had come to an end but looking forward to the next ...

A POEM

The seagull shite gleams white upon the dodger. The cockies chewed the Windex off the mast. The boom just maimed a youthful paddle boarder And the bloodied decks remind us of the past, Of the days when Eos crossed the wildest oceans When the storms destroyed the other yachts at sea But still there is a sense of satisfaction At being on the wharf at MYC.

HAPPY SAILING

Our sponsor AVOKA is supporting our other sponsors by providing wine prizes from our 2 favourite wineries - order forms at back of newsletter

Will be providing pizza vouchers - and they are very yummy pizzas!

Grand Prize draw from the barrel -The Quays Marina - boat slip and antifoul.

You must be a Series entrant to be in the draw!

Thanks to Quay Marine, Avoka Digital Systems, and De Vita Pizza for sponsoring our series this year.

The day started with intermittent pouring rain with slight winds from the E/NE. Not looking good Verne! The race committee rugged up and set the course for the boats to start at least.

By the time the first boats set off there was enough wind to push us across the start line at least (slowly).

The Sound, being a little testy as per usual but no rain, and even sunshine and at times, we even saw about 8 knots of wind! A few boats fell into gaping holes and found it hard to get out - while they watched with frustration the rest of the fleet go merrily around them ugh!

It was a long race due the lack of wind and there were many and varied, discussions as to whether to shorten the course etc, but it was decided to press on. Unfortunately 3 boats didn't make it around the course in the time limit but the afternoon turned out to be most pleasant with the rain holding off and the sun shining.

So by the time the boats were packed up and the presentation was delivered it was dark and only a hand full of people could make it back to the club and stay for the results. No daylight saving that day so lessons learnt all round.

Big thank you to the race committee for hanging in there all day- Arthur Crothers, Lyn Humphreys, Ian Lang, Iain Cameron and Evelyn Ciocco.

So it was the little boats race with late entry Esra Tew leading from Cincinnati Kid and new addition Allegro for division two and Ten Sixty from Twilight Express in division one.

Well done to all and see you at the next race.

Janette Syme – Race Director 📂
