

NEWSLETTER EDITOR

Happy New Year everyone. I hope that you all have a fabulous break since our last race and are looking forward to an even better New Year; eagerly awaiting twilight race 11 incorporating twilight female helm race 3.

You've probably all been wondering what's happened to the newsletter since November... President Lisa has been keeping you up to date with weekly news clips; and social media and the MYC Community WhatsApp has filled in some gaps, while I've been travelling. Thank you Lisa.

The Senior ILCA fleet have completed their Spring Point Score (SPS) series, comprising Club Championship and 4P

racing with Gordon Lacey looking to have snatched victory from Iain Cameron in the SPS series. With only one more Micro Regatta for the fleet it looks like Ian Saunders on *Send it!* will need to keep ahead of *Shark Bait* sailed by Geoff Gill.

The Battle of the Sound didn't quite go MYC's way, but home ground advantage for the next BOTS which we are hosting should inspire the fleet to a win!

Since the last newsletter the yachts have had a marathon; three summer series races, one of which was abandoned due to bad weather; three club championship races; and all the pre-Christmas twilight races. *Mondo* is "topping the charts" in all three series.

The Junior and Youth fleet held a bunch of races finishing 2025 with the annual destination race to Balmoral where a great BBQ was laid on. (I'm always happy to publish stories and pics from this fleet - I just need input!) The highlight of the season was, of course the Manly Cup, reported in greater detail further in this newsletter.

High winds, high energy O'pen Skiff Manly Cup at Manly Yacht Club 29-30 Nov 2025

by AUS O'pen Skiff Association

If there was one thing not in short supply on Day One of the Manly Cup, it was breeze! A punchy 20 knots lit up the racecourse from the very first gun, setting the stage for an electrifying weekend.

Held every year in late November, early December off Manly Yacht Club on Sydney Harbour, the Manly Cup is a one-design regatta sailed on the O'pen Skiff, a full one-design high energy, junior class designed for young sailors between the age of 8-17. The event upsized this year with 68 boats—including the biggest-ever Green Fleet, boasting 20 young sailors taking on their first regatta. Add another 25 boats in the Intermediate/Silver Fleet plus 20 fast-moving contenders in Gold, and the harbour was buzzing.

With conditions cranking on Day One, only the Gold Fleet was sent out—and even they had their hands full. Two exciting, full-power races were completed before the breeze ramped up again, delivering gusts over 25 knots and forcing racing to be abandoned.

High winds, high energy O'pen Skiff Manly Cup at Manly Yacht Club 29-30 Nov 2025

by AUS O'pen Skiff Association

...continued from previous page

But the energy didn't stop there... it was time for the Giant SUP Showdown! Three monster boards, teams of 20 sailors each—yes, twenty per board—lined up for an all-out battle of teamwork, balance, chaos, and leadership. Gold vs Silver vs Green. To level the playing field, Gold took a two-minute handicap, Silver one minute, and Green launched off the gun. Even so, Gold surged through for the win and a very well-earned ice cream victory.

Day Two arrived with picture-perfect racing conditions, and all fleets hit the water ready to roll. Four races before lunch and another three after made it a massive day. Gold finished with eight races and two drops; Silver wrapped up six races with one drop—plenty of action for sailors, coaches, and spectators alike.

A huge shout-out to the incredible volunteers who powered the event from behind the scenes. Special thanks to Principal Race Officer Steve Tucker, Umpire Massimo Henderson, and Marg Fraser-Martin from [Marg's Yacht Photo](#) for capturing all the brilliant moments. We couldn't do it without you!

VOLUNTEER OPPORTUNITY

CLUB RACE OFFICER WANTED!

Manly Yacht Club is looking for an experienced and qualified Race Officer (with a boat licence) to join our Sunday racing team!

What it involves:

Yachts typically start from 12:30pm with either a scratch or allocated start. Oversee a dozen yachts racing around the AS marks, while also managing our ILCA 6 & 7 fleet, who sail two short races during the afternoon.

Yachts finish on the starboard side of the start boat.

When: Sundays (afternoons)

Where: Manly Yacht Club

Enjoy operating from our brand new, spacious start boat, custom-built for MYC — complete with a bathroom!

Why you'll love it:

- Join a community-focused club where passion for sailing comes first.
- Experience a competitive but friendly culture — safety is always our first priority.
- Be part of a volunteer team that is valued, adored, and politics-free.
- Lunch provided
- Sail, socialise, and share the best vibes on the water with fellow sailing enthusiasts.

If you're keen to volunteer and make a real impact on club racing, we'd love to hear from you! Email president@myc.org.au to join the MYC Race Crew.

2026 AUSTRALIAN O'OPEN SKIFF CHAMPIONSHIPS

Proudly sponsored by...

Manly Yacht Club is incredibly proud and honoured to be hosting the **2026 AUS O'pen Skiff Championships from 19–24 January** — a national event that brings together the next generation of passionate young sailors from across Australia.

(YES! Only a few weeks away!)

HOW YOU CAN

To help deliver an unforgettable regatta, **we're calling on our amazing MYC community**. Whether you can spare a day, a couple of afternoons, or the whole week, we would love to have you involved.

We have most on-water spots covered but are in desperate need for BBQers, canteen and roster management; and deck captains and Beach Marshalls to make sure everything runs smoothly (no prior experience needed). Every pair of hands genuinely makes a difference.

Volunteering for this event is not just helping out — it's a chance to showcase the spirit of MYC; support young athletes chasing their dreams and be part of something truly special for our club.

If you're able to assist, please complete the short survey below and let us know your availability.

Thank you for helping make this milestone event one we can all be proud of.

Manly Yacht Club x Kieser Mosman

BUILD STRENGTH WITH PRECISION

Strength is the foundation of everything we do — from sitting tall to powering across the water. It shapes how easily we move and how well we live.

What Makes Kieser Different?

- **Clinician-Led Care:** Our personalised programs are developed and managed by Physiotherapists, Exercise Physiologists and Exercise Scientists.
- **Exclusive Swiss-Engineered Machines:** These machines target and strengthen specific muscle groups safely without overloading joints, providing guided, controlled movements to support proper technique.
- **A Training Environment that is Inclusive and Distraction Free:** Our bright, clean training floor has no mirrors or loud music.
- **Train Smarter, Not Longer:** Achieve quality results with two 30-minute sessions per week.

Is strength a regular part of your routine? With our partnership with MYC, Kieser is here to help you stay strong and keep you on the water.

This partnership offers access to Kieser Mosman and services at a **discounted club rate**, so be sure to mention you're an MYC Member when booking an initial consultation.

CHRISTMAS REGATTA

The morning began under cloudy skies with occasional drizzle, and notably, there was no wind. Competitors prepared their boats, embracing the festive spirit by adorning themselves and their vessels with decorations. *Vin* featured flashing lights on the boom, and a Santa Claus figure, decorated sails and carols playing from *Black Swan* added to the cheerful atmosphere.

Warwick provided a brief overview of the day's proceedings and, before the races began, all participants paused for a moment of silence, honouring the victims of the recent tragedy in Bondi. Bruce and Pam, once again serving as race officers, ensured the event ran smoothly, with Bruce giving an extensive briefing before the boats entered the water.

The start of the race was delayed due to the lack of wind. Once underway, competitors experienced a slow drift around the course. The usual 20-minute time limit per race was set aside, and only one race was completed, lasting one hour and nine minutes before the first boat finished. *Woody*, crewed by Denis and Nola, was the first to reach the top mark, followed by David and his daughter Juliette in *Alex Martin*, then *Eli D* with Jonathan and Skye. *Eli D*'s achievement was particularly notable, as she crossed the start line last and on port tack – an interesting racing tactic!

Warwick and Ken in, *Helen Hendry*, initially rounded the top mark in third place but touched it, requiring her to re-round. This mishap dropped them from third to last place.

After a lengthy drift around the course, *Woody* finished first, followed by Rob and Clare in *Dolly Wallace*, *Eli D*, *Alex Martin*, John and Jess Pens in *Black Swan*, Michael and Ros in *Ralph Newman*, and then *Helen Hendry*. The tinsel wind indicators on *Vin*'s boom proved more of a hindrance than a help so Jackie and Jenny withdrew from the race and did not finish – but did manage to execute their 360-degree penalty turn first.

Despite the lack of wind, a great day was enjoyed by all who participated and a key part of the success of the day was the professional management of the race by Bruce, and Pam Davis. Support was provided by John W, Vince, Joe and Guy on *Charlie's Chariot* with Cecelia taking some great photos.

Following the race, everyone gathered on the dock to enjoy a barbecue and sandwiches provided by Nola. Many thanks to Guy for cleaning the BBQ and Cecelia for cooking the sausages. Presentations were made to the winners of the sailing, and the extensive commitment in decorating *Black Swan* was rewarded with the inaugural festively dressed award. John P's aim was always to be on the winner's dais in some manner, and he succeeded. Despite the challenging sailing conditions, all competitors appeared to enjoy the day and contributed to a successful regatta.

AUSTRALIA DAY REGATTA

Monday 26 January 2026

The prestigious Australia Day Regatta will be held on Monday 26 January 2026.

The goal is to have all eight boats competing, so we encourage anyone who is available and interested in joining the event to get involved.

If you would like to be part of the Australia Day Regatta, please get in touch with John by emailing him at jweaver172@gmail.com or calling 0413 507 596.

A FAREWELL TO SOPHIE AND PETRA

SOPHIE LINTVELT: A LASTING CONTRIBUTION TO SAILABILITY MANLY

Sophie Lintvelt has been an integral part of the Sailability Manly team for over four years. Her involvement began in Year 9, when she first joined Sailability Manly as part of her Duke of Edinburgh Bronze Award program. (*MYC Editor's note Sophie was part of the MYC Juniors Program*).

Through her dedication and ongoing commitment to helping others, Sophie not only completed the Bronze level, but ultimately achieved her Duke of Edinburgh Gold Award.

In addition to her volunteering, Sophie has distinguished herself as a remarkable sailor, enjoying considerable success including multiple regatta victories, including the prestigious Australia Day Regatta.

Sophie's dedication and positive influence was recognised when she was named Sailability Manly's Young Volunteer of the Year in 2023 and 2025 and Sailor of the Year in 2024.

Having recently completed her Higher School Certificate, Sophie is moving to Queensland to study Chemical Engineering and Commerce at the University of Queensland, with an ambition to pursue a career in environmental engineering. Sophie intends to remain involved with Sailability through Sailability Manly, in Queensland, and the Lintvelt family's connection to Sailability Manly endures as Sophie's mother, Julie, has become a volunteer with us.

PETRA BEDACHT: LEAVING A MARK ON THE SAILABILITY COMMUNITY

For just over two years, Petra Bedacht has contributed as a valued volunteer at Manly Sailability, following her move to Australia with her husband and two sons. While her husband worked in Sydney, Petra became an active member of the Sailability community, however with her husband's work in Sydney now complete, the family will soon return to Munich, Germany.

During her time with Sailability Manly, Petra developed her own sailing skills and was named Improved Sailor of the Year in 2025. Her sons have also become skilled sailors, a passion they will continue to enjoy on the lakes around Munich.

WARM WISHES FOR THE FUTURE

We extend our warmest wishes to Sophie and Petra and her family as they embark on their next chapter and remain deeply grateful for all they have contributed to our sailing community.

FREEDOM ON THE WATER

Manly Sailability is looking for more volunteers to help give disabled participants a chance to sail in Manly Cove.

Could be a good project for a D of E participant like Sophie above, or someone who has spare time on their hands and would like to spend time on the water; help with the BBQ, radio or deck management.

Full rebuild by Castlecrag's Master Shipwrights

Owner's Testimonial:
Our Halvorsen 26, *Helen K* had extensive timber rot which ruled out local repairs so we went for a full rebuild from the deck up. Ply and teak cabins with laminated Oregon beams. Stayed true to the original shape and dimensions but added a helm door. It was a 12 month job and I can heartily recommend the work of Murray, Stuart and the boys at Castlecrag Marina - excellent workmanship throughout.
