

MANLY YACHT CLUB COVID SAFE PLAN FOR SAILING

MYC asks that all members and their guests adhere to the following guidelines while participating in MYC on water events or attending the MYC premises.

These guidelines are current as at the date set out below.

Participation in MYC on water events:

- All sailors are encouraged to take responsibility for their own health and safety relating to COVID-19. Please ensure you stay up to date with all applicable Public Health Orders and all directions from Australian Sailing which may apply to your participation in MYC events.
- It is recommended but is not mandatory that sailors be fully vaccinated to participate in MYC on water events.
- It is recommended but is not mandatory for skippers to submit a crew list to the Club via Sail Sys for each MYC on water event.
- Do not sail if you are displaying any symptoms of the virus, no matter how slight. Symptoms include cough, sore throat, shortness of breath and fever.
- Do not sail if you are a close contact of someone who has contracted the virus and you are required to self-isolate under NSW public health guidelines.

Access to MYC clubhouse and MYC Marina:

- All members and guests must sign in using the Service NSW QR Code prior to entering the Clubhouse.
- Masks must be worn in indoor areas of the Clubhouse except when eating or drinking.
- Physical distancing of 1.5 metres should be maintained where reasonably practicable
- All members and guests must co-operate with any directions from Club staff or Club officials while on MYC premises.
- Please note that capacity restrictions may limit the number of people who may be present on MYC premises.
- It is recommended but is not mandatory that members and guests be fully vaccinated in order to enter the MYC Clubhouse and marina area.
- Do not enter the MYC clubhouse or marina area if you are displaying any symptoms of the COVID virus no matter how slight. Symptoms include cough, sore throat, shortness of breath and fever.
- Do not enter the MYC clubhouse or marina area if you are a close contact of someone who has contracted the COVID virus and you are required to self-isolate under NSW public health guidelines.

COVID safety while on the water

- Skippers will be responsible to maintain a COVID safe environment for their crew while on water and should engage with their crew about steps to be taken to maintain a COVID safe environment on board.
- COVID safe requirements are subject to ongoing change and skippers should stay up to date with all applicable Public Health Orders and all directions from Australian Sailing which may apply to your participation in MYC events.
- MYC recommends:
 - Maintain physical distancing where reasonably practical.
 - Do not share drink bottles, clothing, food and towels etc.
 - Bring your own wet weather gear, lifejacket, gloves etc.

Cancellation of Events and Ongoing Changes to COVID safe plan

- The public health risks due to COVID are evolving.
- The Club may in its discretion cancel scheduled events or modify the COVID safe guidelines which apply to those events. Notice of such cancellations or changes to applicable guidelines will be published on the Club website or Facebook page or communicated to members by other means.

We thank you for your co-operation and please feel free to contact any member of the Board to discuss this plan.

Date: 11 January 2022
