MYC NEWS

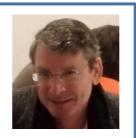

NOVEMBER 2015

PRESIDENT'S REPORT

Your Board has been very busy over the past few months.

From the long-range view, we have a Strategic Planning sub-committee looking at where we may be in 2025 and considering the potential impact of the proposed amalgamation of the Councils on our lease renewal plans.

In the medium term, we are planning for the Junior Fleet configuration and support boats, the review of our IT processes and tools to come up with the most suitable mix for the operation of the Club (we currently have 17 different systems, some of which can communicate with each other).

In the shorter term we have addressed the event management of the Twilight series (with Narelle McNicol at the helm) with the strategy of taking the pressure off the race committee. A lot of good feedback has been received about the Narelle-sourced caterers BlueSalt and the trial of the Robbie-R tender service.

The Board recently approved the replacement of *Margo* our much-used inflatable support boat after it was damaged (beyond ROI repair). The new and improved *Margo* is now up and running (after a few adjustments to her storage).

Following a lot of research and quote chasing, our **Club Manager**, **Barry Miflin**, has been approved to proceed with the replacement of the *occasionally patched* and much painted horsehair ceiling in the main hall of the club. All up, this is a \$10,000 investment and is one of many ongoing maintenance tasks our heritage club requires.

Membership cards are going to be produced and distributed so members can gain entry to other clubs (as well as have their YA membership number handy). This is relatively inexpensive but it can help many members while travelling.

Your Board is a team of talented people with broad knowledge and range of skills. We are still seeking a Director of Maintenance and if your own skill set lies in this area I am keen to hear from you. It is not about trying to do it all yourself but coordinating and working with our Club Manager and the club's very strong volunteer base.

Regards Cary Budd - President

MYC MEMBERSHIP CARD

Since Yachting Australia ceased producing membership cards over 3 years ago, MYC members have asked when a new card will be issued.

We are currently in in the process of organising MYC membership cards, which will include your YA number.

Hopefully these will be distributed by the end of November.

COMMODORE'S REPORT

Dear Members,

I'd like to talk a little bit about **Rule 56!** Because you are reading this in the newsletter, you are in all probability a paid up member of MYC and thus you likely comply with **Rule 56**.

However, their is so much misunderstanding about the rule that it is worthwhile that all members understand the implications of the rule, so that they can explain it to their non-member, non-newsletter reading companions.

Rule 56 "Any crew member that sails in more than three races in any one sailing season, shall be a member of a Club affiliated to an MYA, and be a Youth or Silver member of their MYA and Yachting Australia. It shall be the responsibility of the person in charge of the boat to ensure that all crew members on board for each race comply with this prescription."

So why should all crew be members of MYC (or another YA club)? Firstly it is a rule in the racing rules of sailing, which all competitors agree to abide by. To sail with non-YA members is to break a rule! Put the other way, if a sailor chooses not to be a member of a YA club, but does go racing then they are giving grounds for that boat to be DSQ'd from the race and/or series. Non-members are effectively making their skippers cheat either knowingly or unknowingly!

The other important reason is insurance, as YA membership provides personal accident insurance cover to the crew. If a non-member crew were to be injured, then both the crew and the owner/skipper may be put into difficult legal situations.

Another important reason for all crew to be members is financial. The club is a not for profit club and having fewer sailing members does not reduce our costs in any significant way, so the monies required to run the club must be raised from our hall hire, race fees and membership fees. Thus every crew that does not join the club represents \$260 that will have to be raised from members. Coincidentally we have about 260 members, so having a non member sailing on your boat is as if you've taken a dollar out of the pocket of every other member, or \$5 from every boat in our fleet.

Unfortunately despite these good reasons, the policy enacted towards YA membership is pretty much: "Don't ask. Don't tell". For the reasons listed above, such a policy is not in the interests of the boats, owners, members or even the non-members themselves. As Commodore, I owe a duty of care to our competitors, which includes ensuring that they are covered by adequate insurance and that they abide by all the racing rules of sailing. Thus I ask you, the newsletter reading members of MYC, to adopt a "Do ask. Do tell" policy towards YA membership. Please check the YA status of your crew / skipper / colleagues and for all the reasons above abide by Rule 56.

Regards Greg Wilkins - Commodore

TACTICS AND STRATEGY SEMINAR

8TH DECEMBER 2015, 7PM @ MYC presented by Craig Ferris

Craig will draw upon his many years of experience as a sailor and sailing coach and teach us about racing tactics and strategy. In this seminar he will cover wind, race and regatta strategies. He will tell us how to prioritize between wind, fleet and boat on boat tactics. And to summarize it all he will reveal his "Golden Rules" to consistently reach the game, play the game and win the game.

Craig has been involved with Olympic, National Youth and Class coaching with many teams reaching the highest level within their class. He has coached many classes throughout this time such as 470, 420, 505, Flying Dutchman, Tornado, 18 and 16ft skiffs, Lasers, Boards and Hobie 16 as well as many Youth and junior classes.

Craig has also achieved remarkable results during his own sailing career, including National and World Championships in a variety of international youth and senior classes, most recently winning the J.J.Giltenan World trophy in the 18ft skiff "Rag and Famish Hotel".

CAN YOU HELP?

This is a desperate plea on behalf of an overloaded Commodore doing double duty as Twilight Race Director and Twilight Race Officer...

WE NEED YOU! ONE EVENING ONLY IN THE NEXT 15 TWILIGHTS

- ✓ Not sailing the twilights?
- ✓ Want to give one sail up for average points?
- ✓ Want join in the fun and get a free meal from the yummy menu?
- Would you like to avoid an unseemly commodorial meltdown?

Then why not help out on the race committee as an assistant? No experience needed! Spend a pleasant evening on the balcony watching the boats go by and just write down some times!

If you really enjoy it, then come back again as the race officer!

Please contact Jill<dutyroster@myc.org.au> to volunteer!

On a recent lazy Saturday afternoon, two MYC boats (*Esprit & Manly Sailing*) decided it would be pleasant to cruise over to Watsons Bay and dine for the evening. It is after all, just across the heads and we sail past it nearly every twilight.

So after an enjoyable trip *Esprit*, picked up a courtesy mooring and *Manly Sailing* dropped anchor a very short paddle from the beach. Before long, we were sitting in the Beach Club of the Watsons Bay Hotel surrounded by the wild life. We soon realized that we were the only folk in the place that had arrived by beach and the appropriate attire was a lot more hipster than ours (my sunscreen encrusted stubble wasn't passing for a hipster beard). The skirts became shorter as the DJ amped up the music and soon it was a 3 to 1 vote that we should be elsewhere. However, at least the dissenting vote did notice that there was a yacht club near by and suggested that we drop in.

Shortly afterwards we were cautiously sticking our nose into the boat shed of <u>Vaucluse Yacht Club</u>. This didn't look like a CYCA/MHYC/Skiffies type club: no bouncer, no reception desk, no check in - we were starting to feel a little bit at home! We were soon very much at home, for soon as we applied our sailors' navigational skills to locate the bar, we were invited in, given drinks (no alcohol licence so the bar just holds drinks the members have previously bought) and introduced to the gathered sailors and flag officers.

Vaucluse is a remarkably similar club to our own: a varied fleet ranging from Swanson darts; through 5.5's and big cruisers; to some super 30s and a fleet of lasers. The club house is in a stunning location and makes their main income from weddings & parties (sound familiar?!). The Commodore, Ian Bell, was very encouraging that if any MYC boats wanted a bit of Saturday sailing that they should do a casual entry and would be welcomed back at the club for the evening BBQ.

So perhaps we should go sail away from home on another lazy Saturday afternoon!

It's been a busy few weeks at MYC.

Bruce's team of skilled artisans has been busy installing the second sliding door. Please be careful how you operate, as the doors slide very easily, but there are potential pinch points and there is considerable momentum generated.

Please make sure the locking bolts are fully lifted, so as they wont snag and bend and please lock up securely when finished for the day.

Working Bee: Thanks to Maz for organising the Working bee and the great work of all who helped.

New Laser Racking: The optimist dinghies have been moved to the F11 area and a five-tier laser rack installed in their place. Thank you to Dave, Garth, Ian and Roland for their assistance in the transition.

Robbie R davit operation: Ensure proper spooling of the wire on the drum, especially when there is a low tide, and watch the top pulleys so as they do not two block.

'Dr Who', 'Margo' has undergone a rebirth and morphed into a new vessel. All stories relating to this event have been grossly 'inflated'!

Laser fleet: It's fantastic to see so many boats on the water and Many Happy Returns to Phil Reid who celebrated his 50th at the club, after their race.

PEPPER TREE WINES CLUB CHAMPIONSHIP SERIES

The fourth race of the Club Championship was a movable feast and fiasco in several unexpected ways.

The day started with a moderate to strong southerly breeze and a relatively empty harbour thanks to the gloomy skies keeping the stinkboats on their moorings. Everything seemed set for a good, straightforward race, with Brian Wilson and his RC volunteers setting Course 10, which took the fleet down to Rose Bay and back.

The Division 2 start was its usual lesson in barging, with Cheap Thrills nearly involved in a scratch test of Carlyle's shiny new enamel topsides (sorry Barry, but I did warn you). Next problem popped up on Bella, well, dropped down actually, when the Bellaboys couldn't work out why they were going so slow upwind. Much sail tweaking occurred but it wasn't until someone glanced aft and noticed the outboard was still down that the penny dropped. The next heart-starter came when Melody and Lautrec, both on port, crossed in front of the Farr 40 championships start line just as their start signal dropped. Hell hath no fury like a F40 on starboard. But the little Dart held firm on port to cross the imposing fleet and managed by mere metres to avoid most of the testosterone-fuelled agro. Phew!

There was a short break in the mayhem until one of *Esprit*'s new crew, Steph, took her own short break. It's always a worry when working your way aft from the bow down the leeward rail, and Steph soon discovered *Esprit*'s toe rail ends quite abruptly and shot through the safety rails and into the drink. While she managed to hang on to some stanchions, the boat was under spinnaker and moving pretty quickly.

Another worry, and quite a major problem for Steph, was her sailing shorts had taken their leave and were adrift somewhere astern of the boat, so she wasn't in any hurry to get back on board. Needless to say, she was recovered, sans daks, and *Esprit* went on to take the gun.

Elsewhere, more mayhem was occurring, including: Bullet's jammed kite halyard forcing a prudent decision to start the motor to avoid some approaching rocks; Two Can letting go the main halyard when wanting to drop the spinnaker, not once but twice! Cheap Thrills testing the effectiveness of spinnakers when they are flown sideways and soon deciding they don't work very well, especially when a hole appears in them; Ratty Tooey deciding multiple riding turns on winches aren't much fun; Peter McDonald learning that it's his flatulence that is Pam's main problem with attracting crew. And to finish it all ... Wild Life thought they had escaped the day without something breaking, that was until the sailed into their marina pen only to find the jib halyard was jammed and the Etchells wanted to keep going up North Harbour.

Much grunting and pulling finally solved the "B Davis Maintenance Test".

As for the results, well done *Old Habits Never Die* for avoiding the bad karma and claiming the win in Division 2. And Pete and Al on *Pam* had a "gas" time to grab first in Division 1.

Jim Nixon – Race Director

The skipper yelled "get back on side" "I'm losing my drawers!" she cried He dragged her on board Whilst the other crew roared With laughter as Steph had to hide.

At prize giving later that day
The rest of the crew had their say.
"We're naming you Pants-On,
And make sure you're clipped on
The next time we sail in the bay"

(Gillian Burke, aka, Steph's mum!)

AVOKA SUMMER SERIES

This Race Committee looks pretty relaxed! We need you to help us run the racing at MYC. No experience required. We'll team you up with someone who knows what they are doing.

You will need to be able to read the time and to write legibly. And take Instruction about which flag to raise or lower, and when. Lunch is provided; as well as a drink back on the deck. If you have a boat licence, complete the Support Boat test on the web site (it's easy) and we'll let you drive the *Robbie R* so that you can get up close and personal to the action.

WITHOUT A RACE COMMITTEE WE CAN'T RUN RACES Contact Jill at dutyroster@myc.org.au to lend a hand

ssa: I did manage to sail and was the proud winner of a Pizza Voucher, which has been duly used. Our Marechiaro was delicious. Thank you to sponsors De Vita for a highly recommended taste of Napoli.

MYC LASER FLEET

As we head toward the end of November we only have 3 heats left to complete the Spring Point Score. With Ian Saunders (Sirjje), and Richard Lacey (Newman), leading on equal points (29), we also have Iain Cameron (Seanile), Dave Smith (Goodvibes), Garth Riley (Cheeky) & Ed Wray (Tequila), all asking questions.

The sailing continues to be competitive and fun, with the fleet starting to bunch together more, which means everyone is improving and making less mistakes while making better decisions.

After 6 heats of the 2015/16 Club Championship it is looking like a tight finish again with around 7 boats in contention for a podium finish. Iain Cameron (Seanile), is the boat to beat however he suffered his first DNC in heat 6 and that will count. Geoff Reid (Grampage), seems to be sailing below the radar and waiting to pounce at any time in 3rd while his brother Phil is recovering from the RWC setbacks still.

On November the 1st, which was scheduled as the 5th heat of the CC and also heats 7 & 8, also was a special day as ex-Club Champion Philip Reid was scheduled to turn 50! As Phil had some of his best mates in town for the occasion it was only fitting that they take command of a Laser and race with him. Adam Norris, guest skipper on *SqWall*, who has sailed around the world a couple of times recently, and Ken Levido, chartered one of the Saunders boats for the afternoon.

From all accounts the races were contested well and although Phil managed a 4th in the CC, SqWall managed to come in 1st and win the Winners Cap. Iain Cameron (Seanile) bagged the CC win followed in by Ian Saunders (Sirjje) and Geoff Reid (Grampage) in 3rd.

The post race presentation and catering award point score were highly commendable I hear and the 50th celebration went long into the night where old stories were told over and over again.

J24 NSW CHAMPIONSHIPS 2015

ARTHUR AND HIS CREW ON KAOTIC ... HELM - Sean Kirkjan - principal helm of the victorious 'Victiore', winner of Sydney to Hobart, and numerous J24 Championships throughout the world; TRIMMER - Simon Cunningham - the secret weapon from WA; former state and national J24 champion (Shane Guanaria was originally set to trim, but had double booked the World Etchells Championship in Hong Kong); PIT - Tony Reynolds - another state and national champion crew member; FOREDECK - Wolfie Wilkins - crew member, again a member of a state and national championship team.

Together with a new set of Macdiamid/Doyle sails produced by Shane, *Kaotic* blitzed the field!! Five out of six bullets and 2nd place in the race they were OCS ad had to return to the start.

Racing was conducted By **Royal Prince Edward Yacht Club** on the weekend of 31 Oct - 1 Nov, in sturdy 12-18knt N/NE breezes on a course between Chowder Bay South to mid-Harbour on Day 1 and Neilson Park/Lady Bay on Day 2 with the wind swinging to the North on a run out tide.

A healthy fleet of 16 boats turned up and with a wealth of experience and fire there was a fabulous amount of "argie bargie" with very close racing, as is per usual with J racing. And no matter where Kaotic started in the fleet they managed to pick off the boats one by one and finish first... SO CLEVER!!

We in *Wildfire* came away feeling pleased with our efforts, nailing 3 out of 6 starts. And, although we felt a bit overpowered with the freshening breeze; by the end of the first day we held it together for 4 of the 6 races not doing too much wrong. We finished 9th, 9th, 8th and 8th. The other 2 races, placing 12th and 11th, were tactical errors and one messy spinnaker drop (which loses 5 places very easily in one design racing!). The second regatta in our new boat... it felt good!

spinnaker drop (which loses 5 places very easily in one design racing!). The second regatta in our new boat... it felt good!

Race 4 - Running to the line; Kaotic in far distance right;

Wildfire with yellow kite

The three top spots came from Sydney Harbour ...

1st Kaotic (MYC) - Arthur Crothers

2nd Convicts Revenge (CYCA) - Steve Girdis

3rd Innaminka (MHYC) - John Crawford

The first Victorian was Brendan Lee, skippering MHYC boat, Waterbourne Again, into 4th spot. Ace, from MYC/MHYC, sailed consistently well, as per usual, into 5th spot. Even though Wildfire was 6 places behind Ace at the overall standings, there were many times we were neck and neck with them downwind (amongst other boats of course), but they cleverly snuck ahead with that winning edge.

Tied in 6th place were *Stockcar* - Dave "*Magoo*" McKay and Kicking - Ron Thomson (my brother). Dave is a holder of a couple of world titles as well as national title and state champion. Ron was a former MYC member and MG14 NSW champion. He was the only Victorian boat to make the trip. It was great for Ron to finish at the same standing as his boyhood idol (GOD).

As per usual RPEYC put on a great show. The race committee seamlessly, put the races together on the busy harbour. And dinner on Saturday night was superb.

It must be noted that we now have a *blessed* MYC member in Matt Miles (our wonderful foredeck) who was approached by an RPEYC member ... none other than our Honourable PM, Malcolm. After a handshake and a chat the PM, and his merry men, headed out for a sail on his Couta Boat. Matt and Malcolm met last year when Matt asked when was he going to make a run for the leadership. Matt will be signing autographs at the club the week after next...

So for us on *Wildfire* we felt quite accomplished after remembering to lock on the trailer; roll up the jockey wheel and secure Lyn's phone; although we did take 4 attempts to get the mast up - big thanks to Steve Girdis for his help with the 4th attempt!

Many thanks to MYC members sailing with us: Matt Miles, Lee Ebeling, Lyn Humphreys, Brett Hudson, Rob and I. And also too Arthur Crothers for all his help getting our boat safety ready and for his support and encouragement all round for this event; and to Jim and Maz for filling in as RD for the Summer Series race we missed.

SAILABILITY NEWS

R: Philip, at 2012-2013 MYC season presentation night, with Commodore Greg and the Eli Demeny

MESSAGE FROM PHILIP HOJGARD-OLSEN

Philip has been a member of our group for a number of years. He sails the little blue 2.3 with the electric motor. He is the person featured on our home page on www.manlysailability.com.au.

He is a wonderful and dedicated young man to the wellbeing of all of his friends living with Muscular Dystrophy.

Please support him on his trip to Denmark.

Ηi,

As you may or may not be aware, on November 21st I will be travelling to Denmark with 2 others who also have Muscular Dystrophy in order to get an understanding of the independent living strategies they have implemented.

We want to learn as much about it as we can so we can come back to Australia to present our findings and hopefully implement our own solution to align with the National Disability Insurance Policy (NDIS).

It is a massive project and we have raised a majority of the funds, however we are still short and would love your support to get us over the line.

I have set up a fundraising page at:

http://makingadifference.gofundraise.com.au/page/Hojgaard-OlsenP

Please forward this on to everyone you know! Any donation no matter how big or small would be greatly appreciated!

Thank you for your kind support!

Philip

Sailability NSW Freedom on the water MANLY

THANK YOU

Manly Council has very generously given Sailability Manly a cheque for \$1,250.00 to help us with our Maintenance and Fuel for Charlie's Chariot for another year.

Our team this morning looked a little limited in numbers, but fantastic in skills.

Col, Ray, Warwick, John, Rob, Ivan, Peter, Steve, Tony, Malcolm, Michael, Bob, Jim and Denis put out and rigged 5 boats, picked up Charlie's Chariot and, dressed as Super Heroes, welcomed our first group of Masked Avengers, Hulks, Spidermen, Supermen, Ninja Turtles from the *Royal Far West School*, accompanied by their fabulous helpers; Charlotte and Jan.

The wind was a gentle Nor Easter, dropping to almost nothing at various times during the morning, but the sun kept shining and it was just a lovely day for an outing.

Kids from the *ASPECT School* arrived next with their lovely patient teachers, Sarah, Kirsty, Karen and Ann. Anthony, Alexander, Christian, Dash, Finley, Harry, Kai, Loder, Matty, Michael, and Will all flew down on their magic flying machines to go for a sail.

They all got a turn in a sailing boat as well as Charlie's Chariot by taking turns, and being extraordinarily patient.

Thanks so much to these Super Hero kids and their

Super Hero Teachers who organised such an interesting day for the helpers.

Last to come for a sail were Jordan, Eddie and Amelia from Freshwater High with teachers Jane and Shirley. The wind had really dropped by this time, so it was a very slow run around Manly Cove before they came back with some extra knowledge about paddling.

Mark arrived in time to go for a sail, then helped with the putting away, so it didn't take long to pack

everything away.

FX-PFNGUINS

The resident Manly penguin population has its ups and downs. Recently there have been a few ex-penguins found that are neither resting nor pining for the fjiords.

The good news is that lots can be learnt from an ex-Penguin as all the local penguins are micro-chipped, so once they shuffle off their mortal coil, they can be taken to the zoo for a necropsy to work out how old they are, where they were from and what is killing them.

It is important to know if it is old age, boat strike or attack from foxes. Interestingly, most of the ex-penguins found turn out to be non-local (Norwegian Blue?) so it is not all bad for the local population.

Melenie Tyas, from National Parks & Wildlife has contacted the club to ask that if at all possible, we retrieve any ex-penguins seen that are not being predated. Just bag them up, put the date, time and place they were found and if possible put them in a fridge. Don't freeze as this destroys tissue. Then contact Mel on 0418-420-646, 9457-9577 or

mel.tyas@environment.nsw.gov.au

Note also that some Penguins are just stunned or injured (as in the recent case of Buster at Davis Marina), so Mel is also a good contact to help with any penguins that have not yet joined the choir invisible!

POSTSCRIPT ON "BUSTER"

"Buster" (found with a severely damaged beak at Davis Marina and rescued by the 2 Bruces) has found a new home at Taronga Zoo as his beak was found to be too unrepairable to release him back into the wild. (There is only so much that fibreglass can do!)

BALMAIN REGATTA 25TH OCTOBER 2015

Disappointingly, only one boat from MYC entered the Balmain Regatta. *Esprit*, entered in the Super 30 Division, had an excellent start and chased *Clewless* all the way down the harbour; made a good fist of it at Shark Is but then let *Clewless* get away from them again.

Esprit "almost" won their division, but had to RET at the end; a simple case of not interpreting the SI correctly despite 3 sets of eyes scrutinising the instructions. Better

TWILIGHT RACING AND BACK TO THE CLUB!

Twilight Racing has started in full force despite no wind on one night. However, our new Caterer, Blue Salt Catering, has contributed to our new evening experience back at the Club.

We have provided a Tender Service to help those boats that are moored at North Harbour to get back to the Club for dinner. No parking hassles.

Book a table on line and you are guaranteed a table on the deck if you book enough in advance. Reserve your own table or join a table of other members.

Blue Salt have provided a fantastic Menu with choice of snack, meals and amazing desserts. You must try them! Yum!

New Buzzer system so no queuing ... sit down and relax with a drink while you wait for your meal.

If you don't sail in the Twilight Races ... why not come down and have dinner with us?

See you on Friday nights to meet other members and discuss the race!

Cheers, Narelle - Event Manager
