JULY 2016

## MYC AGM SATURDAY 25 JUNE 2016

Yet another AGM and the club formalities were taken care of with a minimum of fuss. Our hard working Rear Commodore, Maz, was recognised for her dedication and industry, as she was made a Life Member. Congratulations and well done.

A very tasty meal was served and the scrumptious deserts were provided by Jan, Leanne, Pam and Maz. Thank you ladies.

The entertainment for the evening consisted of a Trivia Quiz! President Cary was in his element presenting a rather tricky set of questions, which kept everyone amused. Who new that on average you laugh 15 times a day. I must have overdosed.

Another item of note was Lynette's talk and presentation of a very atmospheric painting, which she has donated to Sailability and is being raffled to raise funds. I thought someone had brought along one of JMW Turner's 'Fantastic Puzzles'. Very atmospheric.

Please consider coming along next year. You might break my laughing record.

Colin Cameron.

*Thank you for honouring me with Life Membership of this wonderful club...Ed*

# PRESIDENT'S REPORT

It may be a quite winter season but there is quite a bit of action going on...

During winter we are able to catch up on a number of maintenance items in and around the club. The big things include the replacement of the hall carpet (a vinyl wood-style plank product has been chosen) and a number of little things like touching up the paintwork.

We are a volunteer club and I was impressed by the energy with which some members approached the recent working bee. The chairs were scrubbed, trims were patched, sanded and painted, air conditioners were cleaned, signage fixed, smudged surfaces cleaned. My thanks to all involved (and a special thanks to Lisa Callaghan for arranging the yummy food to keep us going and her level of gumption in cleaning the chairs).

A lot of this action is for the benefit of members and an important part of improving our appeal to those who hall our venue. This revenue represents one of the largest forms of income to the club and means we can afford to run our club, expand our sailing activities and keep our membership fees as low as they are.

As I have mentioned in earlier columns, the Board is preparing an asset maintenance plan so we can budget sufficient funds to maintain and replace items in an orderly fashion. This task is being led by Phil Dressler, and while still in draft form, he has identified the need for a budget of approximately \$40,000 per year. This plan should stop any lumpy expenditure surprises and let the financial management of the club become more rhythmic.

We are a volunteer club and there are many ways we can each contribute. If you are unsure of how your range of skills may be deployed, have a chat to anyone on the Board, or Barry Miflin, our Club Manager. There are openings on the Board, it's sub-committees, the Sailing Committee, the Race Committees, behind the bar, in each of the racing divisions, our events, Sailability, and of course future working bees.

Enjoy the winter sailing. Enjoy the camaraderie of volunteering.

Cary Budd - MYC President

## BECOME A CLUB RACE OFFICER - YOUR CLUB NEEDS YOU

**Club Race Officer course on Sunday 28 August at MYC clubhouse**

With the very successful growth of both our Juniors fleet and our Lasers fleet, plus our continuing strong yacht fleet, we need more members to become **Club Race Officers**. We need more qualified race officers to ensure that we have well run races and regattas for all our participant sailors.

To obtain a **Club Race Officer** qualification you simply attend a free half-day course run by Australian Sailing, after which MYC supports your application to AS. You will need to be an adult member of MYC and hence an AS member.

I have arranged with AS for a **Club Race Officer** course to be run on **Sunday 28 August at the MYC clubhouse**. Start time is 9am and it will finish around 1.30pm. AS has arranged for a National Race Officer from MHYC to come along and do the presentation. It will be a great learning exercise and a worthwhile base for progressing your competence to run our various races.

To apply for this course, you can either apply:

- through the AS website and go to MyCentre, or
- use this link: <http://www.yachtingaustralia.com.au/Entry/?EID=77651>

We would like a mix of members across all of: our parents of Juniors sailors, our Lasers sailors and our yacht sailors. For the course to be a success we would need a minimum of 6 and perhaps maximum of 20 attendees.

Once you have applied for the course, would you please let Greg and me know by email to [commodore@myc.org.au](mailto:commodore@myc.org.au) and [pro@myc.org.au](mailto:pro@myc.org.au)

Good sailing everyone.

*Peter Bennell - PRO*

## NEW FUEL STORAGE CABINET

Mysterious, yellow mini monolith appears on MYC deck, near the 'Robbie R' davits. No. Extraterrestrials were not involved and we can rule out the involvement of any interstellar travellers.

After an eternity of careful consideration our new fuel storage locker has been installed. Please take care with its use and always keep it locked.

On a slightly darker note I did spot a larger monolithic structure, the other morning, standing like a rather sinister sentinel in the morning aurora. Perhaps there is a link, but only in my fascination of 2001 A Space Odyssey.

Please no unauthorised rocket fuel in the yellow cabinet.

Colin Cameron – Club Captain

## NEW SEASON SAILING CALENDAR

IT'S ONLINE

[www.myc.org.au](http://www.myc.org.au)

Winter Racing is nearly over and it's time to do all those boat maintenance things to get you ready for the summer sailing season; get your crews lined up; make sure the boat is ready for inspection and your crew are all signed up members of Australian Sailing.

### DUTY ROSTER

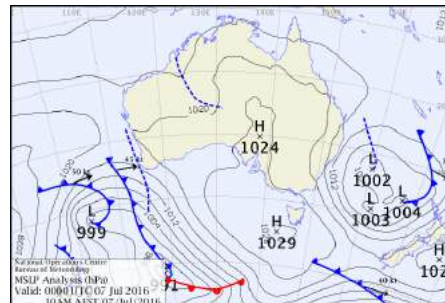

If you are wise, you will also check the calendar and organise with your crew, which dates you will volunteer for the race committee, either on the deck on a Friday Twilight, or on a Sunday on the committee boats. Let our new duty roster co-ordinator, Shane, [dutyroster@myc.org.au](mailto:dutyroster@myc.org.au), know what days suit you best. If not, after reading the new handbook, you will find that you will be allocated a day, and heavy penalties apply to your series score should you shirk your "duty".

## Responsible Service of Alcohol (RSA) Half Day Training Course

It's that time when instead of asking "what can my club do for me?" ... ask "what can I do for my club?"

The answer is simple and fun - register for the upcoming RSA Half Day Training course so that you are in a position to volunteer to help run the Bar after Sunday afternoon races

**WHEN: Saturday morning 23rd July 2016**

**WHERE: Manly Yacht Club**

**WHAT TIME: 9.00am to 12 noon**

**HOW MUCH: \$70 for members \$140 for non members**

By registering as a member you undertake to help out on the Bar once or twice over the sailing season.

**Also note** that if you want to receive RSA accreditation but cannot make it to the course on the 23rd July still register and you get the discounted rate and can attend a future open course.

I hope folk out there will enrol on the course to be conducted by **Ian Wrigley** as we need accredited volunteers help to run the Bar which is a significant social activity within the Club.

### NO BAR STAFF – NO BAR OPEN!

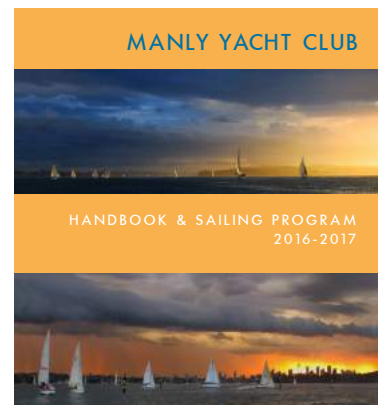

Please register with me [manager@myc.org.au](mailto:manager@myc.org.au) ASAP and down the track an invoice will be generated for you.

## SNEAK PREVIEW OF THE NEW HANDBOOK

[www.myc.org.au](http://www.myc.org.au)

Commodore Greg has been hard at work updating the new season handbook – a gripping read as always but I recommend you do, lest you get caught short on the finish line ... that's all I'm saying ...

You may remember the brilliant twilight images our own Margo took – it really is a stunning cover.

We are looking for some help in the latter part of the first week in August to put the handbooks into envelopes for distribution to the members. If you can help, please email [manager@myc.org.au](mailto:manager@myc.org.au).

**PLEASE NOTE** : handbooks will only be distributed to financial members, so if you have not received your renewal invoice or have mislaid it, contact [bookkeeper@myc.org.au](mailto:bookkeeper@myc.org.au) to have it resent.

## FREE FILM EVENING

All of our **Volunteers, Manly Yacht Club members and their families** are invited to a free evening at Warriewood Cinemas to thank us all for our fantastic contribution to our communities.

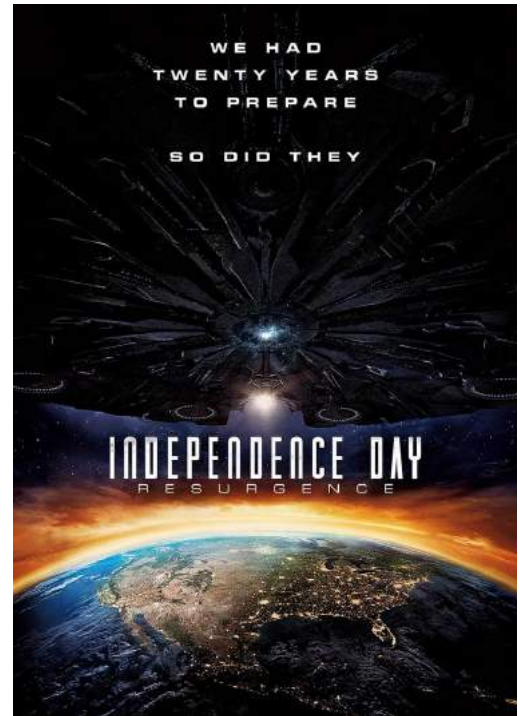

This year, the film shown is a wonderful movie suitable for all ages:

### Independence Day: Resurgence

We are invited to sit in the Grand Theatre, and it is all free.

The date is **Monday, 18<sup>th</sup> July, at 7.00 p.m.**

If you can make it, **please call Eli on 9976 2747**, or register at [eli@manlysailability.com.au](mailto:eli@manlysailability.com.au)

## INFLATABLE LIFE JACKETS

Denis and Eli went down to Manly Yacht Club to check the Inflatable Life Jackets, as is required by Safety Regulations.

When we looked in the storage bag for the Inflatable Jackets, we discovered that one had been put away fully inflated.

This means that the person had inflated it either by getting it wet, or by pulling the safety lever.

Either way, it should have been reported to the Maintenance Officer that a new cylinder was required.

If any damage to any equipment is noticed, please make sure it is reported, so that the item can be repaired before the following sailing day. This also refers to any boat, or its equipment, the hoists, or the trolleys.

If anything needs fixing, please report it when it happens, so that repairs can be made.

**REPORT IT!**

## WHAT A DRIFTER!

What are the weather gods dishing up to Winter Racing?

AND what standards are slipping in our racing fleet?

It's time you all read your Sailing Instructions and the Blue Book again...

- We had several boats motoring into the starting area after their warning.
- We had several boats in the start area before their warning – some impeding the vision of the Race Committee attempting to record boats starting.
- We had a practice start (3 times), but unfortunately on the last practice start the entire boat did not recross the start line correctly.
- With a bit of prompting, all boats that retired, contacted the club.

Summer Racing isn't far away ... time to hit the books for a refresher!

Apologies for the appalling quality of the images – PLEASE, if you are on the deck, or on the water, take some snaps and send them to [newsletter@myc.org.au](mailto:newsletter@myc.org.au) they would have to be better than mine... Ed

## AN OPEN INVITE TO ALL MANLY YACHT CLUB MEMBERS

At Teusner wines, we've got nothing against cellar doors, but they can be fairly busy and (sometimes) impersonal places. So in the interests of keeping it relaxed and personal, we've said 'no' to opening a cellar door and 'yes' to establishing "THE RIGHTEOUS SOCIETY" where we offer our top Teusner drinkers plenty of exclusive privileges.

### VISITING PRIVILEGES

Make a call ahead of your trip to the Barossa to arrange a private tasting at the winery...a members only privilege!

### SOCIETY CELLAR PRIVILEGES

Each year we'll release older vintage wines from our cellar only for sale to members of the Society

### SHOPPING PRIVILEGES

Receive a 20% discount on all on line and winery purchases and take advantage of free freight anywhere in Australia for purchases over \$250

### DINING PRIVILEGES

Exclusive invites to our annual Society dinners...awesome nights of wine and food and more wine!

### PLAYGROUND PRIVILEGES

Be first in line for our Playground wines...small lots of interesting 'things', available only to members of The Righteous Society

So if you're keen to become a member of **THE RIGHTEOUS SOCIETY**, head to [www.teusner.com.au/the-righteous-society](http://www.teusner.com.au/the-righteous-society) and sign up on line
