

PRESIDENT'S REPORT

Busy autumn activities...

I wanted to highlight the eye-opening and exhilarating presentation by Lisa Blair (who shared her record attempt to sail around Antarctica single-handed. Images, that will continue to haunt me, demonstrating her bravery and skill and the results of much planning. For those that missed the evening, Lisa is conducting some one-day master classes to help generate funds for historic bills and for another record attempt.

Our own club member achievements, though different in scale were no different in the sense of passion and achievement. The Presentation Night celebrated achievements at all levels within our club. It remains one of the few events where all divisions of the club come together and recognise the achievements of many through our racing programs in this our favourite sport.

I was not able to attend the Presentation Night and I heard that time was a premium but I would like to draw your attention to an article within this newsletter providing the background to our Good Citizen Award. This is our way to recognise the contribution of those few who truly consistently contribute above and beyond through their willing spirit, time, skills, passion and camaraderie. This year the recipient was Jan Bartel and I would like to add my public congratulations to her.

Members would have received my email recently with the draft copy of our Member Protection Policy and recent decisions regarding the investigation of a sponsorship policy. These actions are a strategy to address greater governance within our club (one of the four pillars of our strategic plan - the others being [abbreviated to]; expanding interest in sailing; strengthening community ties; and demonstrate a positive culture and character).

Feedback on the MPP is still invited and the intent is to ratify it at the AGM at the end of this month so it is part of all new membership applications and renewals.

This MPP is to create a club-managed process to support members and create a safe sporting environment. To date we have had an informal complaint handling mechanism or relied on the national Australian Sailing procedures. A recent complaint with the club followed the AS procedure and has been resolved through mediation. Another shout out to get in your diary the AGM being held after the fourth Winter race presentation at 5 o'clock on the 30th of June.

It will be my last as President as I am stepping aside to give others a turn.

Regards,

Cary Budd - President, MYC

MYC PRESENTATION NIGHT Graeme Cotton Good Citizen Award 2019 Recipient Jan Bartel

Since joining Manly Yacht Club in 2004, Jan has held positions of Honorary Secretary at Board level, and Sailing Committee Secretary for the last 10 years.

During her time she has:

- streamlined and co-ordinated the online entry system from TopYacht; followed up on members for missing compliance certificates; insurance policies; fees and valid membership
- taken and distributed Board, and later, Sailing Committee Minutes
- co-ordinated with the Presentation Night Co-ordinator and Race Directors to ensure that trophies, medallions, skite plates, honour boards were returned by members to the club; correctly inscribed, delivered to engravers and returned to the club, in time for Presentation Night. Her requests for assistance in these tasks have not yet yielded a replacement.
- assisted various Commodores In performing their tasks; and probably a lot more...

Jan is also a staunch supporter of women's sailing within this club and has attended many external regattas representing Manly Yacht Club on *Esprit*, an Archambault 32, which she co-owns.

CONGRATULATIONS JAN
A WORTHY RECIPIENT

The Graeme Cotton Citizenship Shield was created in memory of Graeme Cotton for his contribution to Manly Yacht Club.

This award acknowledges the qualities and values he instilled in this Club.

HOW MANLY YACHT CLUB WORKS!

Manly Yacht Club is incorporated as a limited liability not for profit Company, which is overseen by the Board of Directors that includes:

- President (Cary Budd), who convenes the Board Meetings, sets the agenda and is ultimately responsible for the financial running of the Club.
- Treasurer (Lisa Callaghan) manages the Club's finances and cash flow and supervises the bookkeeper.
- Club Captain (Finn Irvine), who is responsible for the Club's off-water sailing assets (jetty, boat storage, etc.).
- Boat Director (Bruce Davis) manages the maintenance of the Club's floating assets.
- Maintenance Director (vacant) works with the Club Manager to oversee the maintenance of non-sailing aspects the clubhouse.
- Events Director (vacant) oversees the bar, catering and the Hall Hire Service Provider.
- Commodore (Muir Watson), Vice Commodore (Jason Bond) and Rear Commodore (Greg Wilkins), represent the Sailing Committee on the Board.

The Board of Directors is also responsible for supervising the work of our paid employees / sub contractors / tenants:

- The Club Manager (Barry Miflin) deals with matters such as insurance, bills, quotes, tradesmen, supplies, council, maintenance, etc.
- The Book Keeper (Kate Saunders) runs the accounting system.
- Hall Hire Service Provider (Sorrell Lambie) operates the Club's venue hire business and provides the Club with our primary revenue.
- Sailing School (Finn Irvine) are tenants that rent premises within the clubhouse and provide a learn-to-sail service for juniors and adults plus a yacht charter and holiday service.
- Sailing coaches for the junior racing and green fleets.

The sailing aspects of the club are managed by the Sailing Committee and the race officers that report to them:

- The Commodore (Muir Watson) holds the Club's Aquatic Licence, issued by the Roads and Maritime Service, which lays out our operating procedures, safety plan and makes clear the duty of care and chain of command for all on water activities. The primary mechanism for enacting these operating procedures is the Sailing Committee, which is convened and run by the Commodore.
- The Rear Commodore (Greg Wilkins) is the previous holder of the Commodore title and is involved to offer sage advice and to cover up the mistakes and deficiencies of the Commodore.
- The Vice Commodore (Jason Bond) is the Commodore in training.
- Each race series is managed off the water by a Race Director, who writes the Notice of Race (NOR) and SI (Sailing Instructions) and then organizes the Race Committee to manage the on water activities of each race day.
- The Sailing Secretary (Jan Bartel) manages the race entry system and checks the insurance, payments and audits of all entries.
- The Principal Race Officer (Stephen Teudt) supervises the training and quality of the Club's Race Officers and our race procedures.

Finally come race day, the Sailing Committee hands over to the Race Committee:

- The Race Officer is the individual responsible for all racing on a given day and makes the decisions about courses, start/finishes, abandonment etc.
- Timekeeper is the race committee member(s) who records the start/finish times of each competitor
- The support boat will have 1 or 2 race committee members who lay marks, relay message & people and stand by to assist if possible in an emergency (however they are not a rescue boat).

All positions on the Board become vacant at the AGM on 30th June 2019. Nominations for positions on the Board are now open ... see next page

THE IMPORTANCE OF SAIL NUMBERS

Winter Series Race 2 gave the race committee something to think about... two "phantom boats" crossed the start line, and later, finished correctly. One boat had no sail number; the other had a sail number not recorded on the start sheet. Both boats were eventually identified and recorded in the results.

Meanwhile, near South Head, a body was being recovered. Listening to the radio communications on CH16, the sail number of the yacht retrieving the body was the easiest identification for Water Police to locate that yacht and transfer the deceased to the Police launch.

Occasionally you may come across a yacht, which may display an MYC sail number. Sometimes that yacht has long since left the club or the boat has been sold to a non-club member.

Is YOUR sail number registered in your name? Check Australian Sailing's sail number site to see if you comply:

<https://www.sailingresources.org.au/class-assoc/sail-numbers/&quicklink=true/>

MARINE CENTRE ON PITTWATER

Hi Members,

The Teusner Wines Winter Series is well underway and looking very competitive in both divisions. To make the series a success we need volunteers to form Race Committees for the remaining races. What nicer way to spend a Sunday than on the deck at MYC, helping the club and your fellow members followed by a well earned beverage once the day is done. Please check the roster on the MYC web page and [email dutyroster@myc.org.au](mailto:dutyroster@myc.org.au) if you can help.

I advised in last month's newsletter that I would be stepping down from the Duty Roster role. At the time of writing I have had zero enquiries from members about taking on the role, or even what is involved. Please remember that we are a volunteer club and it cannot always be "someone else" that does the work. I am prepared to help someone new as much or as little as they would like to make the role their own. Please get in touch if you are interested in contributing to your club by taking on the role.

Regards
Shane

HARBOUR MARKS

MYC has been advised by Australian Sailing, that after the bad weather of a few days ago and on inspection on Wednesday 5 June, several AS buoys have either been damaged, moved or are missing.

- **Obelisk Bay** - 33 49.854s 151 15.981e - Mark is been found missing and will be replaced as soon as possible once the swell drops down. Expected completed by 14/06/2019
- **Rose Bay Buoy** - 33 51.742s 151 15.978e - Mark will be removed until further notice.
- **North Harbour/Fairlight Buoy** - 33 48.150s 151 15.534e - Mark will be removed until further notice. (Manly East/West and 40 Baskets Buoy are still in position) (Fairlight Buoy = 40 Baskets in MYC Marks of the Course... Ed)
- **Chowder Bay North and South, Cannae Point** - Marks are sitting low in the water and were scheduled to be cleaned this week however due to the weather this has been delayed. Expected to be completed mid next week weather permitting. Upon inspection yesterday (5th June) all are sitting at least 400mm out of the water with high viz tape well clear of the water line.

All other marks are in very good condition and floating high in the water and easily seen. An update will be sent through once the above work has been completed.

AN EVENING WITH LISA BLAIR

Manly Yacht Club was privileged to host an evening with solo yachts-woman Lisa Blair. Her account of her solo, non-stop, unassisted circumnavigation around Antarctica in 2017 was dramatic as she conquered the challenges of 50-knot winds; huge seas and isolation. Her ability to face and survive a de-masting during the last stages of her journey was part inspirational and part unbelievable. With knowledge, skill, preparation and support Lisa showed us that anything is possible.

Lisa is presenting a one day offshore Master Class at **RMYC Pittwater** on 14 July.

LISA BLAIR SAILS THE WORLD

This one day master class is drawing on the unique offshore skills that Lisa had developed while she sailed solo around Antarctica and around Australia.

Lisa will be sharing her first-hand account of her de-masting, building a jury rig, and transferring fuel from a container ship as well as storm survival techniques such as use of drogues and heaving too.

See here for more details <https://bit.ly/2R4dyuy>.

If you missed the event, Lisa has a book **"Demasted"** in the works along with a documentary of her trip.

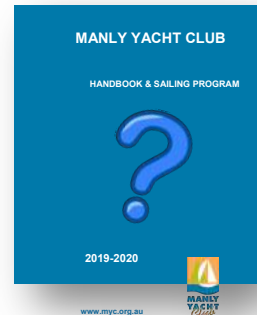

If you want to find out more about Lisa Blair log into <https://lisablairsailstheworld.com/>

Part of the ticket revenue for **"An Evening with Lisa Blair"** went to supporting Lisa and her next adventure. It was also great to support our Summer Series Sponsor, De Vita Tastes of Napoli, by dining on their delicious Pizzas.

WHITE RABBITS BEFORE MIDDAY; THE BEST "SVRE" EVER; STATE CHAMPIONSHIPS AND SHEEP STATIONS... AND ALL SORTS OF WEATHER IN BETWEEN... THAT WAS THE MONTH OF MAY
extracts, with permission from Signals from Sailability Manly May edition 162

STATE CHAMPIONSHIPS CRYSTAL BAY 4TH & 5TH MAY 2019

On Friday, 3rd May our competitive sailors loaded *Black Swan* and *Woody* onto the trailer which was driven up to Crystal Bay ready for the State Championships due to commence on Saturday morning with the Singles Competition for 2.3 and 303. Michael was competing in this race in *Black Swan*.

Michael and Ken in *Black Swan*

In the afternoon, it was time for 303 Doubles, with Denis and Ivan competing in *Woody*, Michael and Ken in *Black Swan*. It was a small but extremely competitive fleet, with 5 303's, 2 Liberties and 2 SCUDS.

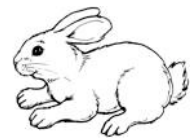

The weather forecast for Sunday wasn't good but all competitors turned up on time for the racing. This time, the morning was taken up by the 9 boats, which had taken part on Saturday afternoon, resulting in some brisk racing.

Unfortunately, afternoon racing was cancelled, due to very strong winds and rain. *Woody* ended up with a second place with Skipper Denis and Crew Ivan in the doubles. Michael finished up with his second place in *Black Swan*.

DID you know...
 White Rabbits before midday is a sign of good luck

What we do when the wind is too strong for our little boats? Saturday 11th May 2019

This was one of those, a strong Westerly breeze that only became stronger, and wilder and woollier throughout the morning, and lots of eager people who had come to Manly to enjoy the gusty Autumn Day.

"The Best Sailability Volunteer Recognition Evening so far..."

Guests seated by 6:30; a short welcome speech by Warwick; straight into dinner for the hungry hordes.

After dinner, and some entertainment by our musicians, Beth and David, our MC for the night, Jackie, took over with a hilarious offering of special awards for special people doing special things. We had a short address by the Mayor of Northern Beaches, Michael Regan thanking us for our service to the community. Then our special award for Volunteer of the Year was presented to Helen Hendry and Youth Volunteer of the Year to Marcus Spano.

Early in the morning, we set up the 303's and waited for the breeze to ease. But ease it did not, so we decided to use Charlie's Chariot as a pleasure cruiser and take people for a ride.

This proved the most fun ever for everyone.

Thanks so much to all of the helpers up on deck, who put the sailing boats out, and out them away again, made a barbecue, served tea and coffee, and looked after things under the watchful eye of wonderful Sailing Coordinator, Ragnhild. ...a day for a different activity, definitely on the water, and most definitely lots of fun.

great to see such enjoyment Judith

Denis and Ivan – a penny for your thoughts

We had the sunshine but not the wind for our competitive day of sailing... some very serious tactics, examination of rules and bucket loads of concentration featured during the morning.

The light breeze kept shifting so that all three races had different courses. This was more challenging for some than for others. Jennie was heard to say, as she and Judy rounded the mark ahead of the fleet, "Where do we go now?"

"Is this the mark?"

So there was enough controversy and competition for Manly Sailability to think it was a big day! What a load of fun!

The competitors were Denis and Ivan, Jennie and Judy, Ragnhild and Ollie, David and Tony, Michael and Ros, Warwick and Annie, Ian and Andonis, and Judith.

The big thank you goes to the race starters Pam and Bruce, the safety and rescue crew with Nikki on the helm, and the regatta coordinator, Ken. That's Crosbie, putting down the mark. Great work from all to make it happen.

And of course at the end of the day, there was a most delicious lunch prepared by good fairies! The hungry sailors and the support crew devoured it.

The results: 1st Jennie and Judy; 2nd Ian and Andonis; 3rd Denis and Ivan.

Bruce on the start boat

Confusion was also evident on the first race, when the lead boats evidently did not understand that the start boat was the bottom mark! Oh dear! If this were the Americas Cup the media would have had a field day!
