# PRESIDENT'S REPORT

## Welcome to the new Board for 2019/2020 year!

We have new faces in two key positions. We welcome Jason Bond (*Enigma*), formerly Vice Commodore, as our new Commodore. His boundless enthusiasm and limitless passion for sailing will steer our on-water activities. Jason's ascension does leave the position of Vice Commodore vacant and I encourage you to reach out to Jason if you are interested in doing this role.

Secondly, I am honoured to be elected your new President. You can expect a slightly different style to emerge over the coming months. Our new Board met during the month and spent the majority of our time discussing what differentiates our Club. Culture and community were at the top of a long list. We all love racing at Manly because its friendly, social and fun. Having a diverse range of members, boats and a community focus are equally important. These values will underpin our agenda this year.

Having come up with tons of ideas and new initiatives of how we can improve our Club, I am ambitious and excited about our future. We are a Club run by our members for our members and having your say is important. So if you have an idea or

a suggestion, please drop an email to [feedback@myc.org.au](mailto:feedback@myc.org.au). This email address will always be open and every idea will be put to the board for consideration.

## Many hands make light work

Our Club does not exist without our members volunteering their time to help our Club run – our Board, Sailing Committee, Race Committee, RSA's and more. Over the course of this year, we will be letting you know which projects and events we have coming up and what positions or tasks we need help with. If every member can contribute just 1 hour per month that's 3000 volunteer hours a year. We can do a lot more for our Club and the wider community. So please keep a look out for opportunities and pitch in when you can.

How can I help?

## Special thanks

In stepping into the President's role, I vacated the Treasurer's role at the AGM. I want to thank two members who responded to my email requesting the position to be filled. I am delighted to announce that Ian Smith (*Cheap Thrills*) will be our new Treasurer and Charlie Cooper (*Whiplash*) will join the Board. These are relatively new members to our Club who will bring a fresh perspective to the Board.

## Diversity on our Board

You, as members, have elected members of our Club to represent and govern our Club. For the Board to be successful in carrying out its role we must have representation that reflects the demographics of our Club.

	Adult Members	Current Board
No. of adults	238	13
Average age	55	53
No. of Yachts	58	12
No. of Lasers	21	0
Female / Male	31% / 69%	23% / 77%

Our Board has diverse representation across our larger yachts which means a significant number of our members have a direct line of communication with a member of the Board. We do not have a representative from the laser fleet on the Board however Iain Cameron represents the fleet on the Sailing Committee. It would be ideal to see a more equal representation of females on the Board and so if you are a female laser sailor you may just find a target on your back as we look to next year's recruits!

Lisa Callaghan - MYC President

## PONTOON REPAIRS

Thank you Finn and Scott from Manly Sailing and John P, Warwick and Peter from Sailability for the great job.

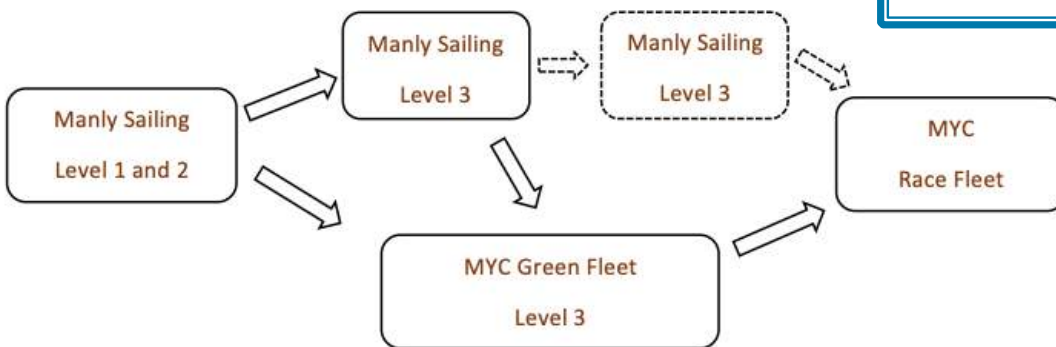

# JUNIOR SAILING 2019-2020

## The MYC Board resolved to implement the following for next season

At it's June meeting the MYC Board put in place a number of changes for next season's junior sailing. Here is a summary of the most important.

1. Educate parents and instructors to read the MYC handbook!!
2. Employ a Sailing Manager
3. Employ a Head Instructor
4. Discontinue the PJs and replaced them with a fleet of 10 small rig BICs
5. All communication will go out on Team App
6. Fees for the 2019-20 season will be \$530
7. Educate deck users on correct etiquette
8. Introduce a Laser 4.7 division
9. Introduce a progress chart for each child so that kids, parents and instructors know exacting how much each child has achieved and which boats they should be sailing
10. Allow Manly Sailing to conduct Level 3 courses in parallel with MYC's Green Fleet

MANLY YACHT CLUB  
HANDBOOK & SAILING PROGRAM  
2019-2020  
www.myc.org.au  
MYC YACHT CLUB  
MYC Handbook at printer and will be available for Audit Day Saturday 17 September 2019. Handbook is online here <http://www.myc.org.au/forms/1819/MYC%20Handbook%202019-2020%20for%20web.pdf>

There are a number of other procedural matters that the Board approved but not included in this summary. They are on Team App in full.

### POINT 1 above is very important and if implemented would have saved me countless emails last season!

Next, I am very excited about employing a Manager and Head Instructor as this will improve the services that we provide to you, the clients. The Manager will be employed a day a week and Head Instructor will be given a few hours each week to organise the program. I personally hope the Manager and Instructor are one and the same person and have included the advertisement in this communication. If you know anyone who may be interested you should encourage them to apply.

I think we will all be pleased to see the PJs go and replaced with small rig BICs. This will free up space and allow for the next big item; the introduction of the 4.7 Lasers. I am not sure if we will have enough kids this season, but if not, then some of our race fleet kids may be interested in the 2020-21 season.

In future, all communications will go out on Team App. Our new Manager will be set up with administration rights and will no doubt, be more technology savvy that the old yours truly.

The last point is to allow Manly Sailing to conduct level 3 courses. This measure is aimed at those parents, who, for whatever reason, are unable to assist their kids to rig and unrig their boats or perform their rostered duties. They will be able, at an extra cost, to enrol their children in a Manly Sailing level 3 course where parental involvement is not required.

I think this will all add up to make sailing good fun this year.

Regards  
Bruce Davis

**THANK YOU BRUCE  
FOR ALL YOUR HARD WORK WITH THE  
JUNIOR FLEETS LAST SEASON**

## PART TIME EMPLOYMENT OPPORTUNITY MYC JUNIORS SAILING MANAGER/ JUNIORS HEAD SAILING INSTRUCTOR

### 2019-20 SAILING SEASON

Manly Yacht Club is seeking to appoint a **Junior Sailing Manager** and a **Junior Head Sailing Instructor**. Both positions may be held by the same person or by separate people. The successful candidates will be experienced team leaders, good communicators and highly organised.

Manly currently has a racing division and green fleet (Level 3) with BICs, Small Rig BICs (S'BICs) and Optimists (Optis). The Club intends to grow the program to include more S'BICs, F11s and 4.7 Lasers. The Manager and Head Instructor will oversee this change.

#### JUNIORS SAILING MANAGER TASKS:

##### Manage:

- ✓ All scheduled events (Races, briefings, training)
- ✓ Communications with parents
- ✓ Registration and database
- ✓ The parents roster
- ✓ Attendance records
- ✓ Team App (communication tool)
- ✓ Day to day issues as they arise

#### JUNIORS HEAD SAILING INSTRUCTOR TASKS:

##### Appoint:

- ✓ Instructors and keep their rosters
- ✓ Develop a training plan for both the green and race fleets
- ✓ Keep the children's ability and progression records and make boat allocations
- ✓ Communicate with parents
- ✓ Instruct as per roster

The Manager will be employed for 6 hours per week and the Instructor 2 hours for administration as well as their normal rostered time as an Instructor. Pay rates will be up to \$35 per hour depending on the successful candidate's prior experience.

#### APPLICANTS MUST HAVE:

- ✓ Current working with children check
- ✓ Boat Licence
- ✓ Instructors Certificates (Head Instructor only)
- ✓ Be available to work Saturday and Sundays from mid-October to May from ~12:15pm to 5pm

#### APPLICANTS CAN APPLY:

- ✓ By email [manager@myc.org.au](mailto:manager@myc.org.au), and
- ✓ Should include all appropriate documents to support the requirements listed above.

**APPLICATIONS WILL CLOSE  
5PM, 31<sup>st</sup> JULY 2019**

IF YOU KNOW OF ANYONE INTERESTED IN THESE POSITIONS PLEASE PASS THIS INFORMATION ON TO THEM

#### EVIE GOES TO CANADA TO REPRESENT AUSTRALIA AT YOUTH WORLDS

*RIGHT: Another of the Cameron Clan... Young Hamish, son of Iain, grandson of Colin, steering a course for the Laser Division*

# YACHT & LASER AUDIT DAY

## SATURDAY 17 AUGUST 2019

**We're into it again, getting ready for another season of fun and pleasant times on the water!**

Not much has changed with the audit requirements for the coming season but before presenting your boat for inspection check that it fits all the requirements for the latest audit category form. These forms can be downloaded from [www.sailing.org.au](http://www.sailing.org.au) or the MYC web site.

The usual two venues will be available for inspections, Davis Marina and MYC jetty.

**Inspections will start from 9.00am and go until about 1.00pm so please be punctual.**

For boats inspected at **Davis Marina** please be aware that visitors on the day must only use the work berth, one boat at a time and wait until they are called. Clients registered with a boat on the marina or mooring can use other facilities such as pick up, dinghies and tender service.

All gear should be neatly laid out and the appropriate Category form completed. Make sure everything is in good condition, clean and all up to date. Following the inspection it is the owners responsibility to have the signed audit form submitted to MYC.

Particular attention should be paid to inflatable PFDs ensuring that they have been serviced in accordance with the manufacturer's instructions. Proof of service is required for such PFDs. Self-service of inflatable PFDs requires that the paper record for each PFD is kept on board the vessel.

Ensure you read the Equipment Audit section of the new season MYC Handbook, as there are a few additional equipment recommendations for competitors.

The new MYC Handbook has been uploaded to the MYC website under General Information (from the Documentation tab) <http://www.myc.org.au/forms/1819/MYC%20Handbook%202019-2020%20for%20web.pdf>. Your attention is drawn to General Conditions of Racing 7.3.2. Printed copies of the handbook will be available on inspection day.

**Thanks to Davis Marina  
for their generosity in allowing us the use of their Marina.**

Good sailing.

Bill Spence- Chief Auditor

**BREAKING NEWS**

**Australian Sailing**

**SPECIAL REGULATIONS AMENDMENTS 1 AND 2  
EFFECTIVE FROM 31 JULY 2019**

**NOT FAMILIAR WITH SPECIAL REGS?**

*(Scroll to the bottom of this link ... Ed)*

<https://www.sailingresources.org.au/safety/specialregs/>

**DOES THIS MAKE YOU  
STOP AND THINK**

**IN DATE? OPERATIONAL?**

**ANYTHING ELSE?**

### AUDITS

Skippers and owners please note that the day decided for audits to be carried out in preparation for next season's competitions is

**Saturday 17 August 2019**

Please make sure you **reserve this day in your diary**, have all your items up to date and in good repair.

As some changes may have taken place since last season, check Australian Sailing <https://www.sailing.org.au> to get the latest requirements.

### VACANT MOORING AT MYC

Manly Yacht Club has one fully serviced MYC mooring available which is capable of taking a yacht to 40-45ft range.

**\$1300 per 6 month hire**

The offer extends to existing members who race with the club or a new member who intends to race with the club.

## PRICE REDUCED BULLET 9006 FOR SALE

After 5 great years of sailing with MYC, BULLet is (sadly) on the market.

BULLet, a Bull 9000, is 31 feet long with a big cockpit and a carbon fibre fractional rig with non-overlapping headsails.

She is a fast, fun boat to sail – not too light and not too heavy, and has held the prestigious MYC division 1 line honours trophy, the Bob Greene Trophy since the 2015–2016 season.

BULLet has been carefully maintained and upgraded over the past 5 years.

- New North Sails – main, and #1, #2, and #3 Jibs (2016–2017)
- Keel removed and reset – keel bolts tested (2018 Noakes)
- Hull faired and re-sprayed with VC offshore antifoul (2018 Noakes).
- Standing Rigging Replaced (2016)
- Rig Converted to swept back spreader set up (no running back stays) (2016 – Radford/Davis Marina/Sheerline)
- Rudder bearings replaced and upgraded (2016 – Noakes)
- Running rigging replaced and upgraded (2015–2019 mostly Wet Tech)

BULLet has raced both inshore and offshore and comes complete with category 3 safety gear.

Bullet is reluctantly offered for sale as her aging owner has decided he needs a larger boat for longer offshore races.

We are looking for a quick sale (hopefully to a member of MYC).

Price ~~\$49,000.00~~  
**\$45,000.00**

THANK YOU WEBMASTER KEN  
A MASSIVE JOB, WELL DONE!

## VALE

PATRICK ALEXANDER  
1941-2019

We were so sorry to say good-bye to Patrick Alexander this month.

Patrick was with Sailability Manly since around 2002. In August 2005 he became our President for 2 years, then became the Treasurer from 2005 all the way up to his passing away, in June 2019.

He was always down at Sailability as a sailor and Support Boat Driver during his more active years, and for the last 4 years or so, just concentrated on his Treasurer role, as he physically deteriorated.

We have always deeply respected his judgment of our financial matters, and he took this aspect of his role with deep sincerity. It will be such a change for us to have to think about this aspect, that we will miss him even more.

His wife, Rosalie and daughters Katrina and Henrietta have also supported us in many ways, and I hope we will retain this support for a while longer.

R.I.P.

*Reprinted with permission Signals June 2019*

## ELECTION OF OFFICERS

What a wonderful organisation is Sailability NSW Inc, Manly Branch. It is great that we have a very strong committee that meets each month for a short meeting at Balgowlah Totem. These meetings take place at 6.30 p.m. on the second Monday of the month.

We would not be able to do the fabulous work we do without a constantly changing committee to keep us awake and active. Generally, we do not change positions often, just add people to help in each role, which leads to a natural progression in our committee. We always need a few more people than the main roles of Chairperson, Treasurer, Secretary, Volunteer Coordinator, Newsletter Editor, Roster Manager, Webmaster, Membership Secretary, etc so that there is never a problem of attrition, when there is a person primed to take over each role as it becomes vacant.

If you have time and are interested in coming on our committee, you will be most welcome. Please attend our meeting on **12<sup>th</sup> August 2019 at The Totem Club, Balgowlah** and launch yourself onto our committee.

Please contact Warwick ([warwickmckenzie@yahoo.com.au](mailto:warwickmckenzie@yahoo.com.au)) or Eli ([eli@manlysailability.com.au](mailto:eli@manlysailability.com.au)) if you would like to be a member of our committee.

## REPAIRS TO PONTOON

Our pontoon was built by volunteers around 18 to 19 years ago. The image on the left shows the upside build (circa 2001 see newsletter May 2014). The pontoon was showing signs of age, with a few bouncy planks, and a slight slope on the western wing.

Finn, from Manly Sailing was extremely concerned that repairs needed to be carried out urgently, so he organised a small team of Sailability Volunteers, himself and his work-mate Scott.

Between them, they planned the materials needed, rounded up tools, and arrived at the pontoon during the week starting 17<sup>th</sup> June. **Thanks so much to Finn, Scott, John P, Warwick, Peter.**

This very small team managed to get all of the repair work completed in less than a week, with the exception of a small section on that Western Wing that will need structural repair.
