

PRESIDENT'S REPORT

WELCOME TO THE START OF THE 2020/2021 SAILING SEASON!

FIRSTLY, I want to thank the army of volunteers on the Sailing Committee who put in a mammoth effort behind the scenes to plan and set up our sailing season. Your effort is greatly appreciated both as a Skipper, a Race Director and President. This then requires the support of every skipper to put up their hand as duty boat for at least one of the 55 race days. Get in early to secure your preferred dates ([schedule here](#)) then write to Jeannie dutyroster@myc.org.au. The lasers have already sent through their roster for the year – Thank You!

SECONDLY, I want to thank all the members who have renewed their membership already. It's going to be a difficult year financially for the Club, so it is with a lot of gratitude for the continuing support of our members through these challenging times.

THIRDLY, I want to thank all the junior parents who have contributed to the junior storage area renovation project. The project aims to store the junior boat more efficient to help with the transporting of boats in and out of the area and reduce the damage in the process. It is a significant project that wouldn't be financially possible without the volunteer labour. There's still more to go so please watch out for our next scheduled working bee.

LEASE RENEWAL UPDATE

Manly Yacht Club and Manly Diggers Swimming Club had our first meeting with Northern Beaches Council representatives regarding our lease renewal. I am pleased to report that the meeting was positive, and steps have been outlined to start the process of renewing our lease with the Council. The process is likely to take at least 6 months, so I'll keep you updated along the way.

RACE ENTRIES

At the time of writing this, there are still a few boats yet to enter the **Club Championships** and the Summer Series and I encourage you to help Jan, our amazing sailing secretary, by entering your yacht ASAP.

If you enter the Club Championships, you'll receive a **free casual entry into Summer Series Race 2** and vice versa for Club Championships Race 2.

We wanted to give every yacht the opportunity to try a different style of racing and hope you fall in love.

Stay safe and sail well

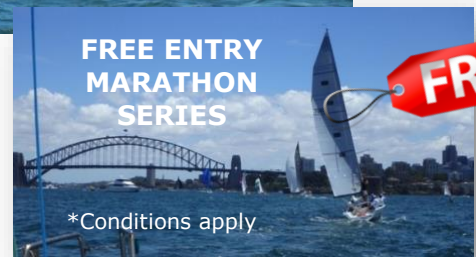

Lisa Callaghan - President

Like us on Facebook, share experiences and help promote club events like Women's Challenge + Mini Regatta. www.facebook.com/ManlyYachtClub

Thank You...

WANT TO ENTER THE MARATHON FOR FREE?

If you've entered a **Sunday** series like the Summer Series or the Club Championships, then why not enter the Marathon Series, too.

HOW?

On the payment screen for the Marathon online entry, choose "Club Payment" and enter your boat name - no payment details required.

Don't try to cheat though ... Jan will catch you if you haven't already entered the Club Champs or Summer Series

FREE

MYC COVID19 Update– 31th August 2020

The NSW Government has issued new [guidelines relating to COVID- 19 for community sport](#).

The Government believes that there is currently a heightened risk of community transmission, and as a result they have asked all sports (including sailing) to restrict their activities to avoid intermingling people across different regions of Sydney and NSW

In order to assist with the implementation of these recommendations, Australian Sailing has divided Sydney into 4 "sailing regions" [here](#).

Over the next 5 weeks it is recommended, where practicable, that skippers sail with crew who usually reside in the same "sailing region". The intention is to discourage travelling for community sport. Therefore, if you live in Region A, you should, ideally sail with a crew who are also all from Region A.

As always, skippers take responsibility for the health and safety of their crew. Skippers will need to decide how best they can comply with the new recommendations while still safely crewing their boats. The Club will not be monitoring or seeking to enforce the new recommendations.

The Club understands that the introduction of the "Sailing Regions" may potentially hinder some boats and crew from being able to compete. As a result, all races scheduled until the end of September will be non-pointscore races. This decision has been taken so as to not disadvantage those skippers who may feel they are unable to race because they, or members of their crew, live outside Region A where MYC is located.

In addition, the Club has decided all post-race presentations will not go ahead in September and all race committee members will be sourced from members and volunteers who reside in Zone A.

The Club also understands that this is a significant change to the way our sailing activities would normally operate. We request that you use your best endeavours to follow the recommendations to ensure that sailing complies with NSW Health recommendations for community sport

Please note that these 'Sailing Region' restrictions do not - for the moment - apply to social sailing or cruising.

The Covid-19 situation remains fluid and your understanding and cooperation is appreciated. We will keep you updated on a regular basis and post this on our website page.

We encourage all Skippers to enter the Summer Series and Club Championships here whether you choose to participate from Race 1 in September or Race 3 in October.

Safe sailing,

Lisa Callaghan – President

Jason Bond - Commodore

DUTY ROSTER

Our first races of the season have begun. We did have full Race Committees rostered for some of our dates in September, but with the recent recommendations from Australian Sailing regarding sports zones, we have lost a few volunteers due to them residing outside Zone A.

It would be great if I could have some volunteers from Area A step up for the races in September or until the recommendations from Australian Sailing are changed. I don't have access to your personal details, so I am unable to send this message to a targeted audience. Please accept my apologies in advance if you live outside Area A. You can check the designated areas using the following

link: <https://cdn.revolutionise.com.au/cups/auustsailclubs/files/rohwdm1lapwtyfv6.pdf>

We welcome anyone who would like to spontaneously volunteer for any of the Series; there are still plenty of spots to fill. You can pick and choose your preferred day - first in, best dressed (or grab a good date and use it as a bargaining chip with your friends if they need to switch days).

The roster can be found on the website: <http://myc.org.au/volunteer.shtml>

Please contact me if you can help out. Happy sailing.

Cheers, Jeannie

PEPPER TREE WINES

WINE TASTING

The Pepper Tree Wines Wine tasting, traditionally held on the first twilight race of the season, has been postponed until we can all go back to the club.

MYC TRAINING NIGHT

Tuesday, 20th October 2020

2021-2024 Racing Rules of Sailing come into effect on 1st January 2021

MYC is conducting a **Racing Rules of Sailing** night on **Tuesday 20th October**.

The session will use the changes in the rules as a path to understanding all the main rules.

Look out for more details closer to the date.

Australian Sailing

REMINDER FROM LAST NEWSLETTER:

"Sail numbers need to be of contrasting colour to the body of the sail" comes in on 1st January 2021 ... RRS G1.2, 1.3 and 1.4

WORKING BEE

Saturday, 22 August 2020

Good turnout for the Working Bee.

Upstairs tables and chairs scrubbed, skirting boards sanded and one coat of paint applied (I will put a second coat on in the next day or so before the masking tape is removed).

Downstairs work going on under the walkway to clear an area for the laser trolleys, new laser racking being worked out and painting in the Boatshed.

THANK YOU

- Robert and Danielle
- Martin
- Barry
- Vivien
- Bruce and Pam
- Jack
- Roger
- Phil
- Tim
- Mary
- James and Caleb
- Philip
- Richard
- Cameron & Jackson
- Shaun
- Sam
- Lloyd
- David

Barry Miflin - Club Manager

Cameron looking on while son Jackson does all the work!

While Jackson's not a member of the club, he helped relocate the A/C some time ago so thank you... and maybe a small plug for you're A/C business

EQUIPMENT AUDIT

15 AUG 2020

What a mammoth day!

First time on the job for MYC, Bob Allan arrived early at Davis Marina to set up for the annual equipment audit day, ready to co-ordinate the bulk of the skippers preparing for Cat 4 and Cat 7 inspection, with auditors Arthur Crothers, Bill Spence and Jason Bond doing the checking. At the not so hectic Manly Yacht Club Muir Watson and Peter Bennell set up to inspect Cat 7 boats

The Davis Marina auditors were still going flat chat at well into the afternoon, so Muir and Peter came over to assist once there were no more boats to inspect at MYC. Finally, all done by 4pm!

All a bit sad ... ready for Kimbriki

A BIG THANK to Bob and our auditors, and also to Dave and Gavin at Davis Marina for running the auditors between boats - a massive job well done!

ON GOING WORKING BEE

In preparation for the new season, there have been a number of working bees taking place to house the new club tenders and reorganise the inner boat storage area so that there is better usage of space. Once this is further down the track, the outer boat storage area will also be reorganised, and an additional 4 laser racks incorporated.

If you have time during the week or weekends please don't hesitate to contact, Bruce, Barry or Finn

WORKS IN PROGRESS

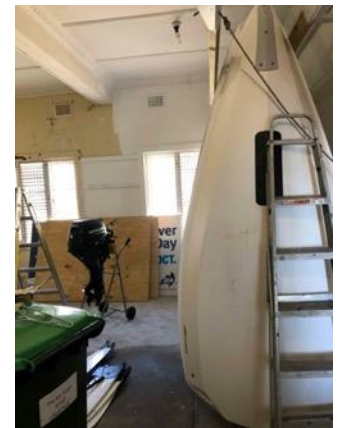

Dinghy storage area

BEFORE

& WIP AFTER

Painting needs to progress before the additional sail racks and storage cupboard can be installed, the dolly wheels relocated, and the dolly bar racks reinstalled ... still a long way to go...

MYC SUMMER SERIES

RESULTS: <https://app.sailsys.com.au/club/23/results/series/582/races>

Pensive start

Summer Series Race 1 and what a sparkly day for our first race of the season, albeit a non-point score due to COVID-9 restrictions. Happy Father's Day for all of you who didn't make it out onto the water.

Race Officer Lisa chose an excellent course 4, which took us sightseeing down to Rocky and Edwards, and out again to Rose Bay via Lady Bay and Nielsen Park, then on to Chowder North and Obelisk before finishing in North Harbour.

It was great to see Andrew and Julian out on their new (to them) boat, a Young 88 called *Kia Kaha*. Short-handed *Pensive* (usually a twilight boat) came out for a spin with Pam on the helm and Bruce the crew; *Ratty Tooley* sported its new "secret weapon"; *Flakey Mojo* lost a bit of its mojo after such a long hiatus; *Cheap Thrills*, *Junior*, *Pinta 11* and *San Toy* making up the rest of the fleet.

Ratty's secret weapon

Kia Kaha heading to Chowder North, Flakey Mojo heading to Rose Bay

Junior was out of the blocks and running early on and. it took a while for *San Toy* to catch up and ultimately overtake, with new boat to the club, *Kia Kaha*, nipping at *San Toy's* heels. *San Toy* will be in trouble once *Kia Kaha* decides to race with a spinnaker!

That's Junior ... way out in front, heading to Rose Bay mark. Kia Kaha and Pinta 11 match race, and Flakey Mojo (out of picture) hanging in.

Kia Kaha and San Toy heading for Chowder. Flakey and Pinta 11 heading for Rose Bay. The white spec in the distance is Junior!

San Toy, first across the line followed by Kia Kaha a minute and a bit behind.

But... first across the line doesn't count in this contest ... a well-deserved first for *Kia Kaha* on handicap, with *San Toy* a minute and a bit behind and just 4 seconds behind in third place was *Junior*.

Thank you, Race Committee: Lisa, Ian, Paul, Steve, Colin and Denis.

Congratulations to our new handicapper Greg.

Kia Kaha

MYC LASERS

SEPTEMBER 6: 4P 1 & 2 (SPS 1 & 2)

RESULTS: <https://sites.google.com/myc.org.au/lasers/results>
 *Apologies - results may not be official due to timing and teething issues with the new system.

There was early excitement on the deck for the first race of the season. Eager beaver Laser sailors were all rigged up for the safety audits from 11am – thanks to chief auditor Phil Reid. Most boats must have passed as we ended up with 15 starters on the line - on time for two races in a (forgiving-for-unfit-bodies) 8 – 10 knot ENEaster. Club President Lisa Callaghan was looking after proceedings, just like our last race last season, with Ian Saunders on board Carlyle too.

Most sailors hadn't looked at the courses for a while with many going around the bottom mark the wrong way. Some boats bit the bullet and re-rounded, while others enjoyed the 'not out first ball' treatment and kept their advantage - ahem.

In a staggered handicap start it was new sailor Catherine leading the way. However, she was on such a roll, she missed the finishing line and kept going for the non-existent third lap. The judges weren't so kind in this case.

Catherine

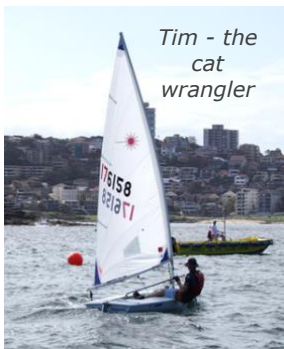

Race 1's 4P scratch finish had the master Iain fastest followed by Phil, Garth, Mike and the *Bandito*, Vivien. Iain also took out the Spring Pointscore result from Vivien and Mike. Well sailed good people.

Looks like Catherine is getting some practice in for the first day of the postponed Women's Challenge ...Ed)

Above: Iain, fastest round the course - race 1

Right: Mike in the yellow jersey, sorry yellow laser, with Iain and Geoff

Tim - the cat wrangler

The second race began with a more spectacular scratch start. The usual suspects of Iain and Phil shot to the lead and stayed there with Phil's yardstick getting him over the line 7 seconds in front of Iain. A quick Cameron and Garth crossed next after me. Cameron deservedly took out the handicap honours, followed by me, Richard and Vivien – a good day for the Frenchman.

Race 2 - scratch start

Everyone was really happy and grateful to be back on the water and our thanks go to everyone who has helped make it possible – especially Tim who has to wrangle us cats as well as implement a new scoring system.

Thanks also to Lisa and Ian for overseeing the day and for the latter's case of socially distanced Peroni's.

(Thanks for the report Geoff)

Geoff Reid - Lasers

Geoff... 2nd in race 2

PEPPER TREE WINES

Images by Ian Saunders and Colin Cameron, who were on the committee boats along with Lisa, Paul, Steve and Denis in the office.

SAILABILITY NEWS

What a long time between editions of Signals!

We are 'partly back' with volunteers honing their sailing skills as solo sailors. We are looking forward to having our familiar booked groups arriving ... But not yet!

Behind the scenes there has been quite a bit going on with regular monthly meetings, and a committee established for the coming twelve months.

Plans have been drawn up, discussed and executed to improve our storage and procedure of setting up and packing away. And a COVID-19 plan has been developed by members of our committee and approved by Sailability NSW with Ken Boyes appointed as our COVID-19 Officer.

First Day Back Under COVID-19 Safety Rules

8th August 2020

What a long time since we sailed last time. Almost 6 months to the day since we sailed at Manly, a small number of members got together to check out the new rules, and our new storage systems in the boat room. As well as these first-time rules, it was necessary to go out for a sail in the beautiful morning that felt as if it had been put on just for us. It was sunny, with a beautiful steady breeze at about 7 knots, just perfect for our purpose.

Only 11 people came down, and as the idea was to sail solo, as well as train ourselves in the new systems required by the COVID-19 rules this was adequate for our purposes.

COVID-19 Officer Ken, enjoying the sailing

The married duo

Heather and Devin were new volunteers today, so both went on *Charlie's Chariot* to check out Manly Cove, and the way we operate. Ivan and Eli are a family, so they were allowed to sail together, while Ken, Helene, Jim, Kristoff, took off solo after working in tandem with lots of hand-sanitiser and disinfectant used to rig up 3 boats. Any lifejacket used was sanitised after use, and the next person just took a clean, dry one. Later, Heather and Devin got the opportunity to sail solo. Heather has sailed Hansas before, in Perth, while Devin was completely new to the skill. Both had an orientation sail and came back to the pontoon

Devin in Charlie's Chariot

confidently. In the meantime, Helen sat patiently at the registration table and explained the new rules to people as they arrived.

The packing up was not so smooth, lots of practise needed here. With the new storage equipment, we need to stick to the order to put things away, as it will not go back easily unless the rules are followed. These rules will be formalised, and a list written and distributed before we sail again. It will save taking everything out and re-doing the task before completing the packing away, and of course, sterilising all handles and handling points as we go. A good learning experience, to be followed up on Wednesday with the full team.

John and Michael from the Wednesday volunteer team

NOTE: At this time, while we have allocated sailing dates for our groups, no groups have been booked in. This is a decision that complies with current community health and sporting regulations.

SASC LION IS RACE

5TH SEPT 2020

MYC competitors in the SASC Lion Is Race:

Division 1 <i>Enigma</i>	17th across the line 14th on handicap
Division 2 <i>Corum</i>	2nd across the line 8th on handicap
<i>Khaleesi</i>	4th across the line 14th on handicap
<i>Sequel</i>	10th across the line 4th on handicap

Well done to all - it looked like a great day out there.

No, Jason, we want to head north ... this isn't the S-H race

Good to see the burgee flying!

...follow them

That's just showing off Michael

Sequel working her way through the fleet

A self-imposed, non-spinnaker race resulting 14th place. A great way to kick off *Enigma's* sailing season.

Corum, back on the mooring... G&T time

Race finished - let's go home, Lynette helming

LIFE MEMBER MERLE ROWLAND

Celebrates her 90th birthday with a couple of other "lifers"; Past President Gene and Helen Scott.

Happy 90th birthday Merle - you're a great friend and long-term supporter of our club.

It is told your husband Bob and you were having a walk around Manly back in the mid 80's and came across the MYC and an ever-opportunistic member, who said they needed a club secretary ... would you be interested? They said yes and so began a dozen years or more of repairing a storm damaged building and enticing members to join and be part of the club.

And that's where it all started - Bob was an outstanding secretary and you his hard-working assistant.

As you know the club has changed; new faces, new additions, new enthusiasms - Merle we will never forget - the good fun and the determination everyone showed to make this family sailing club one to be proud of here in fabulous Manly.

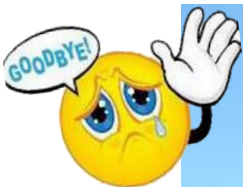

So happy birthday dear friend we love you and thank you.

Gene Scott - Past President 

(methinks that ever opportunistic member may have been you, Gene ...Ed)

COURTESY BUS HAS LEFT MYC

...but Scott is still here

There was this regatta, see...

The MHYC Centreboard Spring Regatta

Father and daughter entered

Daughter beat father - again!

What a birthday present!

Congratulations Evie. Commiserations Ian

Eight Bells: Peter Campbell

One of Australia's longest-serving sports writers, the yachting correspondent and commentator Peter Campbell, died at 89 years in Hobart on September 1, 2020.

Peter wrote for Hobart's The Mercury newspaper for the past 10 years and was a regular contributor to the many media outlets

Peter's knowledge of local, national and international sailing was vast. He was Media Director for the Sydney Hobart Yacht Race 1991-2005, Editor-at-Large for Offshore Yachting and then Editor 1971-2006 and Editor, Modern Boating, 1975-1982. Peter had been a member of the Royal Yacht Club of Tasmania since 1984; of Royal Sydney Yacht Squadron, 1991-2009, and Cruising Yacht Club of Australia, since 1977.

He was a true gentleman, an outstanding reporter, and was highly respected by his peers and sailors.

(Extracts from article published widely. Credit: Craig Macaulay & Di Pearson ... Ed)

MONDO ... WINNER!

MHYC Wednesday Race Division 1 winner!

Huge thanks to crew Martin from Northern Beaches Dragon Boat Club, Norm from MYC and to Midcoast Marine Newcastle for the slick bottom.

Lisa spent part of the race on the foredeck and got herself a love bite / rope burn for her efforts.

(don't you know that foredeck is out of bounds for owners... Ed)

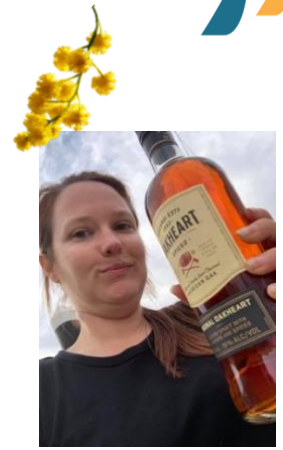

WooHoo!

Of course, brilliant helming from co-owner Stephen.

(With Nadine making up the triumvirate of owners it must have been a good day ... Ed)

You can't keep the smile off Madame President's face...

SYDNEY HARBOUR WOMEN'S KEELBOAT SERIES

Manly Yacht Club is proud to be a part of the inaugural 2020-21 Sydney Harbour Women's Keelboat Series bringing together female sailors from across Sydney Harbour.

Four races will be run by Manly Yacht Club, Middle Harbour Yacht Club and the Cruising Yacht Club of Australia, incorporating both Helly Hansen Women's Challenges coming up in our calendar.

Crews will be able to compete in full female crew or female helm divisions as well as nominate spinnaker or non-spinnaker racing.

EVENT DATES:

 Sunday, 25 October 2020

MYC SROS Juniors Development Program

What is a SROS?

Short **R**ig **O**pen **S**kiff

Manly Yacht Club is building its Junior Sailing fleet with 9 additional **SROS**s. This is an excellent, fun class of boat giving kids the thrill of sailing at an entry point to our juniors' development sailing program.

Introducing 9 new **SROS**s means some 70 juniors can experience the enjoyment of sailing with other like-minded children, progressing together through our juniors' development sailing program.

The total project cost for the new **SROS** boats is **\$26,500**.

We seek your support to give our next generation of sailors the opportunity to participate in a fun outdoors family orientated sport in the beautiful sailing waters surrounding Manly.

Your donations are tax deductible.

<https://asf.org.au/projects/manly-yacht-club/>

We're still trying to fund the Short Rig Open Skiffs for the juniors... any donation will help!
